SUBJECT: Freedom of Information Act Requests Pertaining to the Iran Hostage Rescue Attempt

The subject rescue operation has prompted many requests to Department of Defense agencies from other government organizations, the press and private citizens for documents and information. Much of the requested material and/or answers to specific questions have been denied under various FOIA exemptions.

In order to ensure that DoD responses to FOIA requests on this subject are consistent, the Assistant Secretary of Defense for Public Affairs has requested that you coordinate all proposed replies with this Directorate.
