-

Clay - who in CPA involved?

Bob Crear - Army, OSD in procurement
- emergency, ∴ sole source
- no one wanted to do it, KBR only one who could do it

Clay who in OSD?

Dave O (b)(6) in OSD

Clay - Amb. Bremer said we weren't going to expand → why didn't Corps know

- can't do what Corps wants to do.

Bob Crear - fuel imports } KBR doing both
- oil infrastructure }

- Corps was given $300 M, money still in Ministry of Oi
- used Corps money to start projects

$1.13 bn Corps asked PRB
.961 PRB approved, subject to getting approp.
.745 PRB gone

∴ Corps needs $188 M to keep going, otherwise will stop

have 5 contracts in theater, can reach back to Corps

- propose to use $143 M of Ministry of Oil → use ~~more~~ gov't employees, cut out KBR for contract mgmt
