DESCRIPTION OF DSAA/EDA REPORT

Attached sheets reflect data maintained by DSAA OPS/EDA recording notifications to the Congress on potential sale and grant transfers of Excess Defense Articles (EDA) to foreign countries during calandar year (CY) 1992. Data are arrayed by columns and column headings are as follows:

COLUMN	DESCRIPTION
Country	Intended recipient of the EDA. Entries have a "/" and 4 numbers entered. Numbers represent Julian date that notice was sent to Congress.
Type of Transfer	Intended type of transfer. Numbers 516, 517 and 519 refer to grant transfers of EDA under section 516, 517 or 519 of the Foreign Assistance Act of 1961, as amended. FMS indicates those transfers for which items would be sold and were reported to the Congress in accordance with section 548 of P.L. 101-513 or section 546 of P.L. 102-391.
Item	Brief description of item being considered for transfer.
Quantity	Quantity of item being considered for transfer.
Total Acquisition Value	Estimated total acquisition value of the items being considered for transfer.
Total Current Value	Estimated total current value of items at time of notification.
