

04044-19

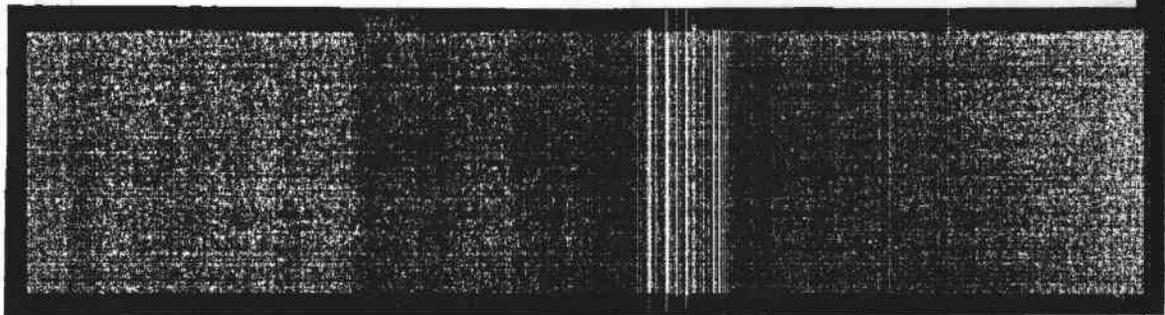

Mr. Ambassador:

LPB HAS SEEN:

4

You had asked about the Al Asad airbase project (circled on the attached slide) which was to have been funded out of the supplemental. The airbase project was moved to a location south of Baghdad, and will not be built at Al Asad. However, please find the attached list of projects in the Al Asad area of Anbar Governorate.
