

# Contracting C2

No Single oversight over all Agencies executing contracts in theater

**USACE**

**CECOM**

**SOCENT**

**CENTAF**

**AFSC**

**AFCEE**

## Operational Effects

- Inaccurate and untimely Situational Awareness of contracting activities
- Inability to achieve unity of contracting effort to support the warfighter
- Difficulty managing and directing contractor accountability & arming
- Lack of ability to enforce command-wide contracting policies

## **Recent MNF-I FRAGOs dealing with Contractors**

- Trafficking
- Contractor Accountability
- Arming Contractors & PSCs

**GOAL:** All Contracting Activities in Theater align to support CJOA Commanders Objectives

# Current JCC-I/A Theater Support

# Fundamental Contracting C2

Why aren't CENTCOM objectives/authorities enforceable across AOR?

Command Authority  $\neq$  Contract Authority

# Recommend Consolidation of Contracting Entities under JCC-I/A Authority
