This is what I sent to Mr. DuBois' office last week. (b)(5)

(b)(5)

(b)(5) Correction to the daily rates in previous email as the Contracting Officer was able to negotiate them down.

(b)(6) (b)(7)(C) \$511.54

(b)(6) \$436.15 in CONUS and \$545.19 in Iraq (as he is a US citizen, he is entitled to hazardous duty pay)

(b)(6) \$627.85

They are paid for seven days a week, even here in the US.

The daily rates requested from the individuals are as follows:

(b)(6) (b)(7)(C) \$600.62/day

(b)(6) \$732/day

We have not received the proposal from the contractor yet on these due to the many demands the individuals are making on a regular basis (i.e. benefits) and therefore have not negotiated the final contract rates. (b)(5)

(b)(5)

(b)(5) I had sent these rates to ORHA Forward, but have not heard back as to any objections.

All,

RFD wants someone to get to the bottom of the "daily rate" on an SAIC contract for (b)(6)
(b)(6) (b)(7)(C) - I think). He mentioned that something on
the contract does not seem correct and may have fallen through the cracks. Who takes
could follow up on this? Thanks,
