TRANSITION TALKING POINTS

Ambassador Bremer is the Coalition Provisional Authority

The former ORHA military staff is now the interim military administrative support staff for the Office of the CPA

The Office of CPA and CJTF-7 are subordinate to the CPA

The interim military administrative support staff (C-Staff) is integrating its tasks and functions with the appropriate incoming OCPA support staff and CJTF-7 staff

Per direction of the CPA Chief of Staff, the interim military administrative support staff will eliminate redundant staff structures and functions, reduce the military footprint in OCPA, realign staff functions based on an Embassy model, and complete a seamless transition with incoming OCPA support staff and the CJTF-7 staff
