MEMORANDUM FOR Iraqi MOI/General Criminal Investigation Directorate/Crimes Division/Iraq/Baghdad

SUBJECT: Letter of Referral

1. This investigation was initiated after notification of the remains of an unidentified local national (elderly male) that was delivered to the Al-Salihiyah Police Station, Haifa Street, Baghdad on 20 Sep 06. National Police advised the body was a missing person from Abu Ghuraib and that the person died while being transported to the International Zone. The suspected cause of death was heart failure.

2. A medical examination was later conducted by Dr. [redacted] Medical Judicial Authority, who concluded the deceased had multiple bruising about the body, but no singular primary injury or cause of death could be established. The manner of death was listed as natural.

3. During the conduct of this investigation, no information was developed to believe that U.S Forces were involved with the death of this unknown person. Coordination with LTC [redacted] Command Judge Advocate, U.S Embassy, opined there was insufficient evidence to believe the death resulted from a criminal act or by Coalition Forces.

4. This incident is being referred to your office for further investigative activity.

5. Point of contact for this memorandum is the undersigned at Iraqna Cell: [redacted] or Email [redacted]@iraq.centcom.mil.

INVESTIGATIVE SUMMARY:

This is an Operation Iraqi Freedom Investigation.

This report was generated to remove all classification markings.

b(2), b(6), b(7)(C)

During an administrative review of this investigation, it was determined the Final Report was erroneously classified.

This investigation was initiated upon notification from the Strategic Counter Intelligence Directorate (SCID), Baghdad, Iraq, of a death of an Iraqi civilian and the disposition of his remains.

Investigation failed to establish any evidence that U.S. or Coalition Forces were involved in the death of this unknown person. Based upon the judicial medical review, the cause and manner of death could not be determined. Though the medical examiner identifies significant bruising about the body, there was no evidence to support the death was a result of a criminal act (by the U.S or Coalition Forces).

INVESTIGATIVE SUMMARY:

On 17 Nov 04, this office was notified by the Office of Staff Judge Advocate (OSJA), Fort Carson, CO 80913 (FCC), PFC [redacted] had reported to his psychologist that SSG [redacted] murdered Mr. ISMAIL during a series of raids conducted while their unit was deployed to Iraq.

Investigation established SSG [redacted], with the assistance of PFC [redacted], beat and then shot and killed Mr. ISMAIL who was unarmed and posed no immediate threat to him or members of his squad. Investigation further established SSG [redacted] provided false information in a sworn statement detailing the circumstances surrounding the death of Mr. ISMAIL.

Investigation established PFC [redacted], SSG [redacted] Mr. [redacted] SPC [redacted] and SPC [redacted] agreed upon a false account of the circumstances under which Mr. ISMAIL was shot and killed in an effort to prevent SSG [redacted] from being punished.

Investigation established probable cause to believe SSG [redacted], PFC [redacted], PFC [redacted] SSG [redacted] Mr [redacted] SPC [redacted] and SPC [redacted] committed the offense of

Conspiracy to Commit Accessory after the Fact when they entered into an agreement to present a false account of how Mr. ISMAIL was killed and related that false account to members of their chain of command.

Investigation established probable cause to believe CPT [redacted] committed the offense of Solicitation to Commit Murder when he stated in an Operations Order attended by SSG [redacted] that certain insurgent targets, including Mr. ISMAIL, were not to come back alive.

Further, a SAC review of the original Final Report revealed probable cause existed to believe the subjects listed above committed the offense of Conspiracy to Commit Accessory After the Fact. The review also revealed lab codes had not been entered. This Corrected Final Report was generated to document the above changes.

Furthermore, the supported staff judge advocate is of the opinion that sufficient evidence exists to prosecute CPT [redacted] and that additional investigation would produce only cumulative and unnecessary evidence. Remaining leads include conducting interviews of Mr. ISMAIL's family members present in his residence at the time of his death. Commander's Report of Action Taken (DA Form 4833) is pending for CPT [redacted]

INVESTIGATIVE SUMMARY:

On 22 Nov 04, this office was notified by the 4th Infantry Division, Office of Staff Judge Advocate that a 15-6 Investigation conducted on the shooting of Mr. HASSAN by U.S. forces at his residence south of Balad, Iraq did not adequately determine the circumstances under which his killing was justified.

SSG [redacted] A Company (CO) 1/8 Infantry (INF) Battalion (BN), Fort Carson, CO (FCC), shot and killed Mr. HASSAN after he alleges Mr. HASSAN reached for a weapon in an attempt to engage and kill U.S. forces. Interviews of A CO 1/8 INF BN personnel including SFC [redacted] who was in the room at the time of the shooting, failed to corroborate the statements originally made by SSG [redacted] after the shooting.

On 20 Apr 05, SSG [redacted] was advised of his legal rights which he invoked and requested to speak with an attorney.

On 10 Jan 05, Mr. [redacted] was advised of his legal rights, which he waived and rendered a sworn statement wherein he admitted he lied about Mr. HASSAN producing an AK-47 and pointing it at SSG [redacted]

Investigation established there was insufficient evidence to determine the cause and manner of Mr. HASSAN's death. Investigation was limited to testimonial evidence which could not unequivocally identify the manner in which Mr. HASSAN was killed; moreover, the lack of available physical evidence and security issues associated with interviewing Mr. HASSAN's family members prevented the accurate determination of a cause of death.

Further investigation established probable cause to believe Mr. [redacted] committed the offense of Perjury when he provided information he knew to be false on a sworn statement to CID.

Further investigation was conducted in reference to Request for Correction (0502-05-CID001) which did not change the original investigative conclusion.

THE INFORMATION IN THIS REPORT IS BASED UPON AN ALLEGATION OR PRELIMINARY INVESTIGATION AND MAY BE CHANGED PRIOR TO THE COMPLETION OF THE INVESTIGATION.

1ST SUPPLEMENTAL:

THIS SUPPLEMENTAL REPORT IS GENERATED TO REOPEN THIS INVESTIGATION IN ORDER TO CONDUCT FURTHER INVESTIGATIVE ACTIVITY.

ON 6 OCT 05, THIS OFFICE RECIEVED A MEMORANDUM FROM USACIDC COMMAND REQUIRING THIS INVESTIGATION BE REOPENED AND FURTHER ACTIVTY BE CONDUCTED.

INVESTIGATION BY USACIDC CONTINUES.

FINAL REPORT:

ON 22 NOV 04, THIS OFFICE WAS NOTIFIED BY THE 4TH INFANTRY DIVISION, OFFICE OF STAFF JUDGE ADVOCATE, THAT A 15-6 INVESTIGATION CONDUCTED ON THE SHOOTING OF MR. HASSAN BY U.S. FORCES AT HIS RESIDENCE SOUTH OF BALAD, IRAQ DID NOT ADEQUATELY DETERMINE THE CIRCUMSTANCES UNDER WHICH HIS KILLING WAS JUSTIFIED.

SSG [redacted] A COMPANY (CO) 1/8 INFANTRY (INF) BATTALION (BN), FORT CARSON, CO (FCC), SHOT AND KILLED MR. HASSAN AFTER HE ALLEGES MR. HASSAN REACHED FOR A WEAPON IN AN ATTEMPT TO ENGAGE AND KILL U.S. FORCES. INTERVIEWS OF A CO 1/8 INF BN PERSONNEL INCLUDING SFC [redacted] WHO WAS IN THE ROOM AT THE TIME OF THE SHOOTING, FAILED TO CORROBORATE THE STATEMENTS ORIGINALLY MADE BY SSG [redacted] AFTER THE SHOOTING.

ON 20 APR 05, SSG [redacted] WAS ADVISED OF HIS LEGAL RIGHTS WHICH HE INVOKED AND REQUESTED TO SPEAK WITH AN ATTORNEY.

ON 10 JAN 05, MR. [redacted] WAS ADVISED OF HIS LEGAL RIGHTS, WHICH HE WAIVED AND RENDERED A SWORN STATEMENT WHEREIN HE ADMITTED HE LIED ABOUT MR. HASSAN PRODUCING AN AK-47 AND POINTING IT AT SSG [redacted]

INVESTIGATION ESTABLISHED THERE WAS INSUFFICIENT EVIDENCE TO DETERMINE THE CAUSE AND MANNER OF MR. HASSAN'S DEATH. INVESTIGATION WAS LIMITED TO TESTIMONIAL EVIDENCE WHICH COULD NOT UNEQUIVOCALLY IDENTIFY THE MANNER IN WHICH MR. HASSAN WAS KILLED; MOREOVER, THE LACK OF AVAILABLE PHYSICAL EVIDENCE AND SECURITY ISSUES ASSOCIATED WITH INTERVIEWING MR. HASSAN'S FAMILY MEMBERS PREVENTED THE ACCURATE DETERMINATION OF A CAUSE OF DEATH.

FURTHER INVESTIGATION ESTABLISHED PROBABLE CAUSE TO BELIEVE MR. [redacted] COMMITTED THE OFFENSE OF PERJURY WHEN HE PROVIDED INFORMATION HE KNEW TO BE FALSE ON A SWORN STATEMENT TO CID.

7. COMMANDERS ARE REMINDED OF THE PROVISIONS OF AR 600-8-2 PERTAINING TO SUSPENSION OF FAVORABLE PERSONNEL ACTIONS AND AR 380-67 FOR THE SUSPENSION OF SECURITY CLEARANCES OF PERSONS UNDER INVESTIGATION.

8. USACIDC REPORTS ARE EXEMPT FROM AUTOMATIC TERMINATION OF PROTECTIVE MARKINGS IN ACCORDANCE WITH CHAPTER 3, AR 25-55.

SUBJECT: CID REPORT OF INVESTIGATION – FINAL (C)/SSI – 0322-04-CID259-80333 - 5H9B

DATES/TIMES/LOCATIONS OF OCCURRENCES:

1. 4 NOV 2003/0001 HRS – 4 NOV 2003/2400 HRS; BAGHDAD CENTRAL CONFINEMENT FACILITY (BCCF), ABU GHRAIB, IRAQ (IZ), APO AE 09342

DATE/TIME REPORTED: 9 SEP 2004, 1235 HRS

INVESTIGATED BY: SA [redacted]; SA [redacted]

SUBJECT: 1. (NONE)

VICTIM: 1. AL KHATTAB, AJIMI BERRA; CIV; INTERNMENT SERIAL NUMBER (ISN): [redacted] 1 JUL 1954; IRAQ; M; WHITE; BCCF; XZ; DATE OF CAPTURE: 2 JUL 2003 (NFI) [UNDETERMINED MANNER OF DEATH]

INVESTIGATIVE SUMMARY:

This investigation was initiated based on information extracted from Significant Data File (SDF) 0266-04-CID259, wherein this office received a Request for Investigation (RFI) (0414-04-CID001) from Headquarters U.S. Army Criminal Investigation Command. The RFI reflected Mr. AL KHATTAB died on 4 Nov 03, during the time he was detained in BCCF. The RFI requested this office determine if an investigation had been conducted pertaining to the circumstances surrounding Mr. AL KHATTAB's death.

Investigation determined Mr. AL KHATTAB allegedly died of a heart attack while detained at BCCF. Coordination was effected with Mortuary Affairs, Camp Victory, IZ; BCCF, Abu Ghraib, IZ; Crime Records Center (CRC), Fort Belvoir, VA; Detainee Operations, Camp Victory, IZ, and a review of the Iraqi patient roster maintained by the 28th Combat Support Hospital (CSH), Fort Bragg, NC (the medical facility that was operational during the time frame in question) was conducted. All efforts disclosed there was virtually no documentation in reference to Mr. AL KHATTAB's manner, cause, or circumstances of his death. However, there was a Detainee Tracking form and a Death Certificate. The Detainee Tracking form only

reflected he died on 4 Nov 03, of a heart attack. The Death Certificate was incomplete because it did not have a doctor's signature, no medical facility's unit identification/designation, and no cause or manner of death. The Death Certificate did reflect Mr. AL KHATTAB was burial on the same day of his death, 4 Nov 03.

THIS IS AN "OPERATION IRAQI FREEDOM" INVESTIGATION

INVESTIGATIVE SUMMARY:

About 1000, 16 Sep 04, this office was notified by CPT [redacted] Commander, C Company, 1/41st Infantry Regiment, Baghdad, IZ (Home Station: Fort Riley, KS), who

reported he received an allegation that one of his soldiers may have shot and killed an unarmed wounded Iraqi civilian, after an engagement in Sadr City, Baghdad, IZ.

Investigation established probable cause to believe 2LT [redacted], SSG [redacted] and SSG [redacted] committed the offenses of Conspiracy and Murder when they conspired, shot, and killed a wounded unarmed Iraqi civilian. During a routine patrol 2LT [redacted] SSG [redacted], and SSG [redacted] and their unit engaged what they believed to be a hostile vehicle. After the vehicle was demobilized and the scene was secure, SSG [redacted] and SSG [redacted] treated several wounded Iraqi nationals. During their evaluation of the casualties, SSG [redacted] and SSG [redacted] made a conscious decision, with the approval of 2LT [redacted], the victim was untreatable and decided to shoot the victim to alleviate his suffering. 2LT [redacted] told SSG [redacted] to shoot the victim; subsequently, SSG [redacted] and SSG [redacted] conspired and shot the victim.

INVESTIGATIVE SUMMARY:

"THIS IS AN OPERATION IRAQI FREEDOM INVESTIGATION"

This investigation was initiated on 15 Sep 04, when CPT [redacted], Trial Counsel, 1st Brigade Combat Team (BCT), MNC-I (III Corps), Camp Victory, Baghdad, IZ APO AE 09342 reported he had received information that several soldiers detained and shot unarmed Iraqi Civilians.

During the investigation, three incidents were reported which involved the shooting deaths of unarmed, Iraqi Civilians, during Aug 04. The first incident occurred at an unknown location within Sadr City, Baghdad, IZ and occurred after elements of 3rd Platoon, C Co, 1/41st INF REG, had engaged and destroyed a suspected enemy vehicle. Statements from unit members indicate an unarmed Iraqi Male approached SGT [redacted] SPC [redacted] and other unit members, waving a white flag and that the Iraqi Male was ordered to the ground. The unit began to take fire from the rear of their position, and SGT [redacted] ordered SPC [redacted] to kill the Iraqi Male. SGT [redacted] and SPC [redacted] both fired at the Iraqi Male, who was killed.

The investigation disclosed that on or about 28 Aug 04, members of the 3rd Platoon, C Co, 1/41st INF REG, were conducting cordon and search operations in Sadr City, Baghdad, IZ. SGT [redacted] and other squad members entered an unmarked residence at [redacted] occupied by a sole Iraqi male, later identified by neighbors as MAITHAM (NFI). SGT [redacted] took MAITHAM from his residence, and ordered him to be flex cuffed outside the residence, while a search of the residence was conducted. An AK 47 Assault Rifle was confiscated and removed. SGT [redacted] ordered the flex

cuffs removed, and SGT [redacted] then escorted MAITHAM back into the residence and shot him twice in the chest with his assigned M-4 Rifle, and later in the presence of 2LT [redacted], a third time in the head. The unit continued searching houses and arrived at the home of Mr. RAHIM, and family, at Gird MB 48565 90624. Mr. RAHIM and his family were removed from the residence and again weapons were found. SGT [redacted] and SPC [redacted] escorted the unarmed Mr. RAHIM back into the residence, where Mr. RAHIM was executed by SPC [redacted] after he ask SGT [redacted] for permission to shoot Mr. RAHIM.

Investigation established probable cause to believe SPC [redacted] committed the offenses of Conspiracy and Murder, when he conspired with SGT [redacted] and subsequently shot and killed Mr. RAHIM. Further, SPC [redacted] committed the offense of False Official Statement when he provided a Sworn Statement to this office, which he knew to be false. SPC [redacted] later provided a second statement admitting that he killed Mr. RAHIM after he asked SGT [redacted] for permission to do so.

Investigation established probable cause to believe SGT [redacted] committed the offense of Murder when he shot and killed an unarmed Iraqi male, after he was detained, who was later partially identified as MAITHAM (NFI). SGT [redacted] committed the offense of Conspiracy when he ordered SPC [redacted] and SPC [redacted] to shoot and kill unarmed Iraqi males, and the orders were complied with. Further, SGT [redacted] committed the offense of Communicating a Threat, when he threatened to kill PFC [redacted] who had reported the incidents to his chain of command. SGT [redacted] also committed the offense of Obstruction of Justice, when during this investigation, he instructed fellow members of his squad to lie and not cooperate with authorities.

Further, 2LT [redacted] committed the offenses of Conspiracy and Murder when after SGT [redacted] had shot an unarmed Iraqi Male, identified as MAITHAM, LT [redacted] stated to SGT [redacted] "he is not dead yet" and SGT [redacted] replied he would take care of it and subsequently shot MAITHAM a third and final time, subsequently causing his death. Further, LT [redacted] committed the offense of False Official Statement when he provided a Sworn Statement to this office, which he knew to be false.

Investigation established the offenses of Murder and Conspiracy in regards to SPC [redacted] which involved the unidentified Iraqi Male did not occur, and are unfounded, as insufficient evidence exists to to believe SPC [redacted] committed an offense.

This is an "Operation Iraqi Freedom" investigation.

This investigation was initiated upon notification from SFC [redacted] Superintendent, Detainee Operations, BCCF, Abu Ghraib, Iraq (AGI), that a detainee died as a result of a gunshot wound.

Investigation established probable cause to believe Detainee ABRAHEMY, while detained at the BCCF, Iraq, died after being struck in the chest by a bullet, which was fired from outside of FOB Abu Ghraib, during an enemy ambush of a passing convoy.

A preliminary autopsy, conducted by the Armed Forces Institute of Pathology (AFIP), determined Detainee ABRAHEMY's death **was** caused by a Perforating Ballistic Injury of the Torso and the manner of death to be Homicide.

b(2), b(6), b(7)(C)

A forensic examination, conducted by the US Army Criminal Investigation Laboratory (USACIL), determined the bullet recovered at the scene to have likely originated from a Degtyarev 12.7mm Caliber Heavy Machine Gun, commonly used by Anti-Iraqi forces.

"This is an Operation Iraqi Freedom Investigation"

This investigation was initiated upon notification from the 286th Military Police Detachment (CID), Forward Operating Base (FOB) Danger, Tikrit, Iraq, of the death of an Iraqi national during a cordon and search operation. The office of the Staff Judge Advocate, Task Force Danger, First Infantry Division, requested that CID investigate the circumstances surrounding the death of Mr. KHALEEFA.

The investigation established probable cause to believe SFC [redacted] committed the offense of Murder, and False Official Statement, when he shot and killed Mr KHALEEFA without provocation and while Mr KHALEEFA was bound with his hands behind his back, and subsequently provided a false statement concerning the circumstances surrounding the shooting. Furthermore this investigation has established probable cause to believe SFC [redacted] committed the offenses of Assault and Cruelty and Maltreatment, when he held a gun against an unknown male juvenile's head and forced him to hold a smoke grenade, from which SFC [redacted] removed the safety pin, while being interrogated.

Additionally, investigation also established probable cause to believe SPC [redacted] committed the offense of False Official Statement, when he provided a sworn statement, which contained information pertaining to the incident he knew to be false.

INVESTIGATIVE SUMMARY:

This investigation was initiated based on information received from LTC [redacted] Office of the Staff Judge Advocate (OSJA), 155th Inf, FOB Kalsu, APO AE 09325, on a commander's inquiry into the death of an Iraqi civilian by an American Soldier.

Investigation established probable cause to believe SPC [redacted] committed the offense of murder, when he knowingly and willfully placed the muzzle of a loaded pistol against Mr. FEIHAN's head and pulled the trigger, killing him.

Further, investigation established probable cause to believe SPC [redacted] committed the offenses of wrongful possession and use of a controlled substance when he admitted he possessed and used Valium, a controlled substance not prescribed to him.

Investigation disclosed there was insufficient evidence to prove or disprove SPC [redacted] committed the offense of wrongful distribution of a controlled substance. SPC [redacted] was identified by SPC [redacted] as the individual who provided him Valium. SPC [redacted] was initially contacted, but refused to be interviewed by USACIDC personnel, and said he wanted a lawyer. Further, all additional efforts by USACIDC personnel and local law enforcement officials to contact and interview SPC [redacted] have been unsuccessful.

INVESTIGATIVE SUMMARY:

This is an "Operation Iraqi Freedom" investigation.

On 15 Sep 05, this investigation was initiated based on information extracted from Significant Data File (SDF) 0147-2005-CID259. On 20 Jun 05, this office received Request For Investigation (RFI) 0310-05-CID001 from Headquarters (HQ), US Army Criminal Investigation Command (USACIDC), Fort Belvoir, VA, detailing US personnel may be responsible for detainee abuse and the death of MR. YAKOU.

Investigation established probable cause to believe the cause of YAKOU's death was not due to physical abuse. A review of the autopsy report revealed the cause of the death was due to heart failure. After a forensic science officer review and coordination with an Iraqi medical examiner, it was determined YAKOU's death was caused by a heart attack

and his manner of death was natural; however, because no witnesses could be located to further refute the allegations reported the manner of death will remain undetermined.

On 10 Nov 05, this office coordinated with MAJ [redacted], Chief, Military Justice, Office of the Staff Judge Advocate (OSJA), Multi National Corps-Iraq (MNC-I), Camp Victory, Baghdad, IZ APO AE 09342, who opined that there was probable cause to believe the death of YAKOU was not due to any physical abuse as alleged.

INVESTIGATIVE SUMMARY:

This is an "Operation Iraqi Freedom 2004-2006" investigation.

This investigation was initiated upon notification from the 105TH Military Police (MP) Battalion (BN), CBI, of a riot inside the TIF, CBI, wherein Detainees ABID, MOUSA, HAMED and TAWFEEEK were shot and killed by SGT [redacted], Headquarters and Headquarters Company (HHC), 105th MP BN, CBI or SGT [redacted] HHC, 105th MP BN, CBI. SGT [redacted] fired seven lethal bullets and SGT [redacted] fired one to control the riot. The eight shots resulted in the deaths of the aforementioned detainees and injuries to Detainees [redacted] and [redacted] Detainee [redacted] was injured during the riot when non-lethal ammunition, which was used by security personnel to control the riot, struck him in the eye.

Investigation determined SGT [redacted] and SGT [redacted] were justified in their use of lethal force during the riot. After approximately 2 hours of rioting, with the riot escalating and non-lethal ammunition almost expended, SGT [redacted] and SGT [redacted] fired a total of eight lethal rounds at detainees engaged in the riot because of fear for the their own lives and the lives of other U.S. security personnel. The use of deadly force was consistent with applicable regulations and policies.

The cause of death for Detainees ABID, MOUSA, HAMED, and TAWFEEEK was gunshot wounds. The manner of their deaths was homicide. The manner of death is a medical classification that should not be confused with criminal statutes. No personnel involved in controlling the riot, including SGT [redacted] and SGT [redacted] violated criminal statutes.

ACLU DETAINEE DEATH 2 CID 205

The conduct of this investigation revealed NASSER'S status changed from detainee to civilian in military medical care on 30 Oct 05, when MAJ [redacted] Operations Officer, S-3, 306th Military Police (MP) Battalion (BN), BCCF, Abu Ghraib, IZ, executed Tasking #306-1044, officially releasing NASSER as a detainee, with an effective date of 30 Oct 05, which was authorized by MG [redacted] Deputy Commanding General, Detainee Operations, Multi-National Forces-Iraq (MNF-I), Camp Victory, Baghdad, IZ. NASSER subsequently remained a patient at the TF 344th Field Hospital after being diagnosed with lymphoma and his physical health declined. NASSER was hospitalized under a physician's care since 26 Oct 05, when he began suffering from pneumonia approximately 24 hours prior to his death.

MAJ [redacted] Medical Doctor (MD), TF 344th Field Hospital, issued a death certificate declaring NASSER'S death as a direct result from pneumonia with a primary cause of lymphoma, and listed the Mode of Death as Natural, at 0035, 2 Nov 05.

MAJ [redacted] stated NASSER was diagnosed with an aggressive type lymphoma in Sep 05, and was receiving care since that time for the disease. He related the patient's condition worsened due to the progression of the disease and he was hospitalized in late Oct 05, and subsequently developed pneumonia as a consequence of the lymphoma. MAJ [redacted] stated there were no other factors involved in the death and nothing unusual was discovered.

On 2 Nov 05, NASSER'S remains were released to family members.

(U) VICTIM:
1. AHMED, RAAD HIKMET (DECEASED); ISN [redacted] CIV; XZ; UNKNOWN; M; OTHER; NFI [UNDETERMINED MANNER OF DEATH].

(U) INVESTIGATIVE SUMMARY:

(U) On 22 Mar 05, this office was notified by the 11th Military Police Battalion (CID), Camp Victory, Iraq, of the death of an Iraqi detainee at Camp Charlie, Iraq (CCIZ). Preliminary investigation revealed Mr. AHMED was captured by Iraqi Police (IP) at an unknown location then escorted to CCIZ, where he was pronounced dead at 2020, 22 Mar 05, by medical officials.

(U) Investigation established probable cause to believe person(s) unknown assaulted AHMED in a deliberate manner prior to his death, constituting a wrongful death. AHMED stated to US Forces who transported him to the hospital of the Multi-National Division – Central South (MND-CS) Division Internment Facility (DIF), at CCIZ in a videotaped statement that he was "kidnapped and beaten by a rival clan" (NFI).

REGARD AS UNCLASSIFIED, FOR OFFICIAL USE ONLY, LAW ENFORCEMENT SENSITIVE WHEN EXHIBIT 14 IS REMOVED

(U) Additionally, AHMED was in the custody of Iraqi Police, at Al Kut, IZ for approximately one week prior to transfer to Coalition Forces custody, during which time the man arrested with him alleged they were both beaten and tortured with electric shock. They received no medical treatment for these injuries.

(U) Although the circumstances leading to AHMED's death are unclear, facts in evidence indicate the injuries which contributed to his death occurred before he was transferred to Coalition Forces custody, and that no U.S. Forces involvement exists. The Office of the Armed Forces Medical Examiner (OAFME), Armed Forces Institute of Pathology (AFIP) conducted a medico-legal autopsy and observed numerous indications of injury; however, without the background with which to give the injuries context, were unable to arrive at a determination regarding AHMED's cause of death. Therefore, the most appropriate characterization of his death remains undetermined.

(U) INVESTIGATIVE SUMMARY:

(U) This is an Operation Iraqi Freedom and a Detainee Abuse investigation.

(U) The Non-commissioned Officer in Charge (NCOIC) of the Brigade – Detainee Internment Facility (B-DIF), FOB Remagen, notified this office of a detainee abuse allegation.

(U) While investigating gunshots an element of C CO, 3-187 INF discovered [redacted] and [redacted] standing near a car and acting suspiciously. [redacted] attempted to flee in the car, but became stuck. [redacted] threw several items into the canal and began running away while continuing to reach in his pockets and ignoring orders to halt. [redacted] shot AHMED, causing him to fall down. AHMED got up and attempted to run again and [redacted] and several other Soldiers engaged him with small arms fire, resulting in his death. A search of the car resulted in the discovery of two sniper rifles in the trunk. During a subsequent screening at the B-DIF [redacted] alleged a Soldier put his foot on his back and held him down while two Soldiers kicked him in the head until he lost consciousness. [redacted] had bruises and abrasions on his face, back and shoulders.

(U) Investigation established probable cause to believe the death of AHMED was a justifiable homicide, in that the shooting was lawful and in accordance with the Rules of Engagement (ROE) in place at the time of the incident. The scene of the incident was a known point of origin for sniper fire, with specific intelligence data that a sniper team was operating in the area. Further, the unit was investigating gunshots at the time of the incident and their discovery of two Iraqi males at the scene matched the known Techniques and Procedures (TTP) for enemy sniper teams. [redacted] the On Scene Commander, reasonably believed AHMED was a threat based on his failure to comply with instructions, the inability to tell if he was armed due to his bulky clothing, his continually putting his hands into his pockets and his attempt to run from the scene. [redacted] said he was concerned AHMED was running to a stashed weapon or a trigger location for an Improvised Explosive Device. Other members of the unit also felt AHMED was a threat based on his lack of compliance and their inability to ascertain his intentions.

(U) Investigation established insufficient evidence to prove or disprove US forces committed a criminal offense as it related to [redacted] allegation of abuse. Investigation indicated US forces used the level of force proportional to what they believed to be needed to subdue and apprehend [redacted] There were indications of excessive force that does not rise to the level of a criminal assault; however, the investigation was initially impeded by lack of cooperation by members of the capturing team. The few Soldiers who agreed to be interviewed all denied wrongdoing or witnessing anyone assault [redacted] The unit's translator stated after the discovery of the sniper rifles, a Soldier (NFI) began questioning [redacted] and appeared to kick him and step on his back while questioning him.

INVESTIGATIVE SUMMARY:

(U) This is an "Operation Iraqi Freedom" and "Detainee Abuse" Investigation.

(U) This supplemental report documents the receipt of forensic examination reports, interviews of confined personnel, and other investigative activity. No changes were made to the offenses listed in the Final Report and no classified exhibits were added.

(U) Final:

(U) Investigation established probable cause to believe [redacted] and [redacted] conspired to murder, then shot and killed A. HAMID, N. HAMID and Z. HAMID, detainees captured during Operation Iron Triangle (OIT); and made false statements claiming

[redacted] and [redacted] were attacked and then killed the detainees as they fled.

(U) Investigation established probable cause to believe [redacted] committed the offense of Murder when he shot and killed one of the detainees after being instructed by [redacted] to "Put him (the detainee) out of his misery".

(U) Investigation established probable cause to believe [redacted] committed the offense of Involuntary Manslaughter when he shot and killed Mr. KOMAR-ABDULAH, during the initial approach to the residence, who was not positively identified (PID) or a threat; and Failure to Obey a General Order when he posed for a photograph of the remains; and further removed a pistol from Objective Murray and failed to turn the pistol in as evidence. The pistol was later found in his personal belongings.

(U) Investigation established probable cause to believe [redacted] and [redacted] committed the offense of Obstruction of Justice. [redacted] and [redacted] committed the offense when they threatened members of their squad that they would kill them if they disclosed the murders: [redacted] attempted to conceal video tapes that incriminated his unit while they were conducting criminal activity.

(U) Investigation established probable cause to believe [redacted] committed the offense of Dereliction of Duty when he failed to immediately inform his chain of command or other authorities of his knowledge of the conspiracy to Murder the detainees.

(U) Investigation further established probable cause to believe COL [redacted] committed the offense of Dereliction of Duty when he failed to make the mandatory notification of a possible LOAC violation regarding the deaths of the detainees.

(U) Investigation established insufficient evidence to prove or disprove COL [redacted] committed the offense of False Official Statement when he provided sworn testimony wherein he related the killings of the detainees were in accordance with the ROE; then later stated the

committed the offense of False Official Statement when he provided sworn testimony wherein he related the killings of the detainees were in accordance with the ROE; then later stated the killings were not in accordance with the ROE.

(U) Investigation further established COL [redacted] order to not report the deaths of the detainees had the actual effect of obstructing justice by delaying the CID interviews, crime scene examination, and forensic examination of the detainees' remains. Because the actual obstruction did occur the offense is not unfounded. COL [redacted] denied he intended to impede a criminal investigation and investigation established insufficient evidence to establish probable cause.

(U) Further, COL [redacted] was deleted from the subject block based on the USACIDC amendment process.

[redacted] conspired to murder, then shot and killed A. HAMID, N. HAMID and Z. HAMID, detainees captured during Operation Iron Triangle (OIT); and made false statements claiming [redacted] and [redacted] were attacked and then killed the detainees as they fled.

(U) Investigation established probable cause to believe [redacted] committed the offense of Murder when he shot and killed one of the detainees after being instructed by [redacted] to "Put him (the detainee) out of his misery".

(U) Investigation established probable cause to believe [redacted] committed the offense of Involuntary Manslaughter when he shot and killed Mr. KOMAR-ABDULAH, during the initial approach to the residence, who was not positively identified (PID) or a threat; and Failure to Obey a General Order when he posed for a photograph of the remains; and further removed a pistol from Objective Murray and failed to turn the pistol in as evidence. The pistol was later found in his personal belongings.

(U) Investigation established probable cause to believe [redacted] and [redacted] committed the offense of Obstruction of Justice. committed the offense of False Official Statement when he provided sworn testimony wherein he related the killings of the detainees were in accordance with the ROE; then later stated the killings were not in accordance with the ROE.

(U) Investigation further established COL [redacted] order to not report the deaths of the detainees had the actual effect of obstructing justice by delaying the CID interviews, crime scene examination, and forensic examination of the detainees' remains. Because the actual obstruction did occur the offense is not unfounded. COL [redacted] denied he intended to impede a criminal investigation and investigation established insufficient evidence to establish probable cause.

(U) INVESTIGATION ESTABLISHED PROBABLE CAUSE TO BELIEVE [redacted] AND [redacted] CONSPIRED TO MURDER, THEN SHOT AND KILLED A. HAMID, N. HAMID AND Z. HAMID, DETAINEES CAPTURED DURING OPERATION IRON TRIANGLE (OIT); AND MADE FALSE STATEMENTS CLAIMING [redacted] AND [redacted] WERE ATTACKED AND THEN KILLED THE DETAINEES AS THEY FLED.

(U) INVESTIGATION ESTABLISHED PROBABLE CAUSE TO BELIEVE [redacted] COMMITTED THE OFFENSE OF MURDER WHEN HE SHOT AND KILLED ONE OF THE DETAINEES AFTER BEING INSTRUCTED BY [redacted] TO "PUT HIM (THE DETAINEE) OUT OF HIS MISERY".

(U) INVESTIGATION ESTABLISHED PROBABLE CAUSE TO BELIEVE [redacted] COMMITTED THE OFFENSE OF INVOLUNTARY MANSLAUGHTER WHEN HE SHOT AND KILLED MR. KOMAR-ABDULAH, DURING THE INITIAL APPROACH TO THE RESIDENCE, WHO WAS NOT POSITIVELY IDENTIFIED (PID) OR A THREAT; AND FAILURE TO OBEY A GENERAL ORDER WHEN HE POSED FOR A PHOTOGRAPH OF THE REMAINS; AND FURTHER REMOVED A PISTOL FROM OBJECTIVE MURRAY AND FAILED TO TURN THE PISTOL IN AS EVIDENCE. THE PISTOL WHICH WAS LATER FOUND IN HIS PERSONAL BELONGINGS.

b(6), b(7)(C)

(U) INVESTIGATION ESTABLISHED PROBABLE CAUSE TO BELIEVE [redacted] AND [redacted] COMMITTED THE OFFENSE OF OBSTRUCTION OF JUSTICE. (U) Investigation established probable cause to believe [redacted] committed the offense of Involuntary Manslaughter when he shot and killed Mr. KOMAR-ABDULAH, during the initial approach to the residence, who was not positively identified (PID) or a threat; and Failure to Obey a General Order when he posed for a photograph of the remains; and further removed a pistol from Objective Murray and failed to turn the pistol in as evidence. (U) Investigation established probable cause to believe [redacted] committed the offense of Obstruction of Justice. [redacted] committed the offense when they threatened members of their squad that they would kill them if they disclosed the murders: [redacted] attempted to conceal videotapes that incriminated his unit while they were conducting criminal activity.

(U) Investigation established probable cause to believe [redacted] committed the offense of False Official Statements when they provided statements to a 15-6 inquiry officer and to CID which they knew to be false in regards to their actions and observations on Objective Murray and during OIT.

(U) Investigation established probable cause to believe [redacted] committed the offense of Dereliction of Duty when he failed to immediately inform his chain of command or other authorities of his knowledge of the conspiracy to Murder the detainees.

(U) Investigation further established probable cause to believe COL [redacted] committed the offense of Dereliction of Duty when he failed to make the mandatory notification of a possible LOAC violation regarding the deaths of the detainees.

(U) Investigation established insufficient evidence to prove or disprove COL [redacted] committed the offense of False Official Statement when he provided sworn testimony wherein he related the killings of the detainees were in accordance with the ROE; then later stated the killings were not in accordance with the ROE.

(U) Investigation further established COL [redacted] order to not report the deaths of the detainees had the actual effect of obstructing justice by delaying the CID interviews, crime scene examination, and forensic examination of the detainees' remains. Because the actual obstruction did occur the offense is not unfounded. COL [redacted] denied he intended to impede a criminal investigation and investigation established insufficient evidence to establish probable cause.

ACLU DETAINEE DEATH 2 CID 650

This is an Operation Iraqi Freedom Investigation.

This investigation was initiated when MAJ [redacted], Brigade Judge Advocate, 3rd Brigade Combat Team, 82d Airborne Division (3 BCT, 82d ABD), Contingency Operating Base Speicher (COB Speicher), Tikrit, IZ, notified this office of an undetermined manner of death and possible aggravated assault of two local national (LN) males in the vicinity of Military Grid Reference System (MGRS) MC 31734 41034.

Investigation disclosed on 2 Oct 06, Crescent Security Group (CSG) (NFI), was providing convoy security for AEGIS, Defense Services Limited (Headquarters 39 Victoria Street, London, SW LH 0EU, United Kingdom) when an Improvised Explosive Device (IED) reportedly detonated near the convoy. Approximately 30 minutes after the detonation, CSG personnel observed and detained two unidentified LN males riding a motorcycle which was reported to have Iraqi Police (IP) markings. CSG personnel reported one of the males attempted to escape, and a CSG employee fired warning shots, then shot and killed one LN. CSG personnel reported the deceased LN had approximately 50 meters of balled up copper wire with leaves and twigs intertwined. The second LN was transported to Forward Operating Base O'Ryan (FOB O'Ryan) where he was released to CPT [redacted] Commander, D Company, 1/8 Infantry (D CO, 1/8 IN)(NFI). CPT [redacted] assumed custody of the LN after the CSG personnel related they would take the LN "out to the field". CPT [redacted] related the LN appeared badly beaten and he was looking out for the welfare of the LN. The deceased LN was released to the IP at the scene.

Further investigation disclosed the surviving LN, Mr. [redacted] was an Iraqi Police Officer who was serving subpoenas. The passenger was his brother, Mr. A. NEJIM-OBAID, who he said he was carrying a grape basket when they were fired upon by men in trucks. Mr. [redacted] reported he heard his brother plead for his life. Mr [redacted] heard gunshots, afterwards he did not hear his brother say anything. Mr. [redacted] stated he was informed by the responding Iraqi Police his brother was dead.

CSG personnel on the scene responsible for escorting Mr. [redacted] to FOB O'Ryan, Iraq, were Mr. [redacted] Defense Agency, Department of Defense (DOD) Contractor, [redacted] Mr [redacted] Air Force, DOD Contractor [redacted], [redacted] and Mr [redacted] Marine Corps Individual Ready Reserve not on active duty, [redacted] Mr [redacted] and Mr. [redacted] were interviewed and related the convoy had been struck by an IED. They pushed through the kill zone and returned to look for the "triggerman." They admitted to have engaged the NEJIM-OBAID brothers; and after Mr. A. NEJIM-OBAID attempted to escape, he was shot and killed. Mr [redacted] was not interviewed.

INVESTIGATIVE SUMMARY:

On 9 Dec 07, SSG [redacted] Area Defense Operations Center (ADOC), Headquarters and Headquarters Company (HHC), 181st Infantry Regiment (IN), 177th Military Police (MP) Brigade (BDE), Task Force 134, Camp Cropper, Iraq, APO AE 09342 (CCIZ), reported the death of an Iraqi citizen at Area 4, VBC.

Investigation determined Mr. KHAZI committed the offense of Aggravated Assault when he continuously struck SSG [redacted] on his head with a wooden board, resulting in a severe head laceration and several minor abrasions to SSG [redacted], and demonstrated intent to cause grievously bodily harm.

Investigation also determined Mr. KHAZI's death resulted from multiple gunshot wounds which he received while he was striking SSG [redacted] with the wooden board and attempted to grab SSG [redacted] holstered M9 pistol. SSG [redacted] defended himself by grabbing his M9 pistol and firing four rounds which struck Mr. KHAZI's torso and subsequently killed him. Mr. KHAZI's manner of death was a justifiable homicide.

ACLU DETAINEE DEATH 2 CID 766

This office was notified by SA [redacted] 86th Military Police Detachment (CID), Camp Cropper, Iraq, that Detainee Karwan Muhammad Ali MAHMUD, Internment Serial Number (ISN) [redacted] who was formerly assigned to the Theater Internment Facility (TIF), Camp Bucca, Iraq (CBI), had died.

Investigation determined that on 4 Apr 07, Detainee MAHMUD was brought to the guard shack by other detainees who reported they found him unconscious and unresponsive. Detainee MAHMUD was subsequently transported to the TIF Hospital where he was stabilized and placed on a ventilator. There were no physical signs of trauma. On 7 Apr 07, Detainee MAHMUD was transferred to the International Zone Hospital to complete a compassionate release due to the belief he was expected to die from his condition.

On 8 Apr 07, medical personnel determined Detainee MAHMUD's injuries offered him little to no chance of recovery, and it was determined he would be removed from life support. At 1720, 8 Apr 07, Detainee MAHMUD was removed from life support. At 1725, 8 Apr 07, Dr. (LTC) [redacted], International Zone Hospital, Baghdad, pronounced Detainee MAHMUD dead.

An autopsy conducted determined the cause of death to be left ventricular hypertrophy with focal subendocardial interstitial and replacement fibrosis and the manner of death to be natural causes. The results of our investigation are consistent with that opinion.

INVESTIGATIVE SUMMARY:

"This is an Operation Iraqi Freedom Investigation"

On 12 Jul 07, this office was notified by Dr. (CPT) [redacted] Attending Physician, 31st Tast Force Medical Theater Internment Facility (TIF) Hospital, Camp Buca, that a detainee had been severely beaten in Compound 31.

Investigation determined Detainee [redacted], Detainee [redacted] Detainee [redacted] and Detainee [redacted] who were judges on the Shariyat Court, a religious court set up by the detainees for infractions of Islamic law, had sentenced Detainee ABDUL RAHIM to death for infractions of Islamic religion and further assigned the detainees who would carry out the sentence. [redacted] and [redacted] then beat Detainee ABDUL RAHIM until he died. At 0101, 12 Jul 07, Dr. [redacted] pronounced Detainee ABDUL RAHIM dead.

An autopsy determined the cause of death to be multiple blunt and sharp force injuries and the manner of death to be homicide. The results of our investigation are consistent with that finding.

Further investigation determined on 30 Nov 07, this office received the results of the United States Army Criminal Investigation Laboratory (USACIL) examination of the submitted evidence. The USACIL laboratory report indicated DNA testing of the blood found on the clothes of ABDUL matched his DNA profile. Additionally, there was a partial DNA profile of an unknown individual. Coordination the Central Criminal Court of Iraq (CCCI) revealed forensic tests are not used in criminal procedures and would not aid the government's case.

INVESTIGATIVE SUMMARY:

"This is an Operation Iraqi Freedom Investigation"

On 27 Jul 07, this office was notified by CPT [redacted] Battle Captain, 110th Field Artillery (FA), Camp Bucca, APO AE 09375 that Detainee KHALID had died at the 28th Combat Support Hospital (CSH), Balad.

Investigation established probable cause to believe Detainees [redacted] committed the offenses of Murder and Conspiracy when Detainees [redacted] and [redacted] sentenced Detainee KHALID to be beaten for infractions of the Islamic religion. The infractions occurred when Detainee KHALID threw bread in the compound latrine. Detainees [redacted] beat Detainee KHALID about the head, shoulders, abdomen, and legs with closed fists, metal sticks and other unidentified objects. Detainee KHALID was subsequently transported to the Theater Internment Facility (TIF) Hospital, where on 26 Jul 07, he died.

An autopsy conducted by the Armed Forces Institute of Pathology (AFIP) determined the cause of death was from complications from sharp force and blunt force injuries of the head. The manner of death was determined to homicide. The results of this investigation are consistent with that finding.

The unit and brigade commander or their equivalent will also receive a copy of the DA Form 4833 for all USACIDC investigations.

INVESTIGATIVE SUMMARY:

THIS IS AN "OPERATION IRAQI FREEDOM" INVESTIGATION.

This investigation was initiated following a notification from MAJ [redacted], Office of the Staff Judge Advocate, Forward Operating Base (FOB) Falcon, Iraq, that SGT [redacted] stole $10,000.00 from an unknown Iraqi female while conducting combat operations.

A subsequent operational review of the CID Final Report of Investigation disclosed an allegation that SGT [redacted] verbally refused to provide medical treatment to an unidentified wounded detainee, whom his unit had just engaged in a firefight, and subsequently admitted to stabbing the detainee.

Further investigation identified the unknown Iraqi female as Mrs. [redacted]

Further Investigation determined SGT [redacted] confessed to his Platoon Leader that he stabbed one of the insurgents to make sure he was dead. A thorough investigation identified no witnesses to the incident and the detainee's remains were released to the Iraqi Police; therefore, no autopsy was conducted to determine the cause and manner of death.

The first Lieutenant Colonel in the chain of command is responsible and accountable for completing DA Form 4833 with support documentation (copies of Article 15s, court-martial orders, reprimands, etc) for all USACIDC investigations. The unit and brigade commander or their equivalent will also receive a copy of the DA Form 4833 for all USACIDC investigations.

ACLU DETAINEE DEATH 2 CID 1205

This is an "Operation Iraqi Freedom" investigation.

This Corrected Final (C) Report was generated to document the limited distribution of Exhibits 14 thorugh 20 and to correct the order of Exhibits 10 and 11.

On 28 Jan 08, CPT [redacted] Staff Judge Advocate, 3rd Brigade Combat Team (BCT), 101st Airborne Division (ABN DIV), Camp Striker, Iraq APO AE 09322 (CSTIZ), reported Mrs. [redacted] Owesat, Yusifiyah, Iraq, reported her son, Mr. FARHAN, was murdered by U.S. forces.

Investigation determined the offense of Murder did not occur as initially alleged by Mrs. [redacted] Investigation determined significant discrepancies existed between all identified witnesses pertaining to the date, location and details of the incident. Mrs. [redacted] related she witnessed a U.S. Soldier shoot and kill Mr. FARHAN in front of her residence around the fall of 2006 in the presence of two sisters, Ms. [redacted] both of Owesat, Iraq. During interviews of Ms. [redacted], both stated Mr. FARHAN was shot inside their residence which was located a half mile from Mrs. [redacted] residence. Both sisters further related Mrs. [redacted] was not present during the incident. Ms. [redacted] stated she also was shot during the incident and was MEDEVAC'd to the medical center at Baghdad Central Confinement Facility, Abu Ghraib, Iraq, immediately after the incident. However, a review of Ms. [redacted] medical records disclosed she was treated for an abdominal wound on 29 Apr 06 while Mr. FARHAN's death certificate listed his date of death as 3 Oct 06. Further, coordination with the Joint Operations Center, Multi-National Corps-Iraq, Camp Victory, Iraq, did not identify any military operation during either dates or locations as described by the alleged witnesses of the incident.

Investigation also determined although Mr. FARHAN's death certificate listed his cause of death as gunshot wound of the head and chest, Mr. FARHAN's death certificate was based on the word of a village representative provided to a medical officials several days after his death. The cause of Mr. FARHAN's death was unknown, and the manner of death was undetermined.

INVESTIGATIVE SUMMARY:

Investigation determined Mr. [redacted] Mr. [redacted] Mr. [redacted] Mr. [redacted], Mr. [redacted] Mr. [redacted] Mr [redacted], Mr [redacted] and Mr. [redacted] committed the offense of Murder when they perceived Mr. QURUNFIR's mental illness as a demonic possession, and subsequently beat and killed Mr. QURUNFIR while trying to exorcise demons from his body. An autopsy of Mr. QURUNFIR's remains was conducted by the Armed Forces Institute of Pathology, Office of the Armed Forces Medical Examiner (OAFME), and revealed Mr. QURUNFIR's cause of death was blunt force trauma and the manner of death was homicide. The results of this investigation were consistent with the findings of the AFME.

INVESTIGATIVE SUMMARY:

This office was notified by CPT [redacted] Trial Defense Services (TDS), Office of the Staff Judge Advocate (OSJA), Conn Barracks, Schweinfurt, Germany, APO AE 09226 (CBSG), that his client witnessed the murder of Iraqi detainees by Soldiers assigned to A Company (Co), 1-18th Infantry (INF) Battalion (BN), CBSG during their deployment to Iraq in 2007.

Investigation determined MSG [redacted] SFC [redacted] and SGT [redacted] committed the

offenses of Murder and Conspiracy when they agreed to kill four Iraqi detainees, transported them to a deserted canal, executed them, and subsequently pushed their bodies into the canal to conceal their actions. Both SFC [redacted] and SGT [redacted] confessed to the murders and detailed MSG [redacted] actions during the incident.

Investigation determined SGT [redacted] SPC [redacted] SPC [redacted] and SSG [redacted] committed the offense of Conspiracy when they became aware of the plan to kill the detainees and knowingly joined the patrol which transported the detainees to the canal where they were executed.

Investigation determined CPL [redacted] SPC [redacted] SPC [redacted] SGT [redacted] SPC [redacted] SGT [redacted] SPC [redacted] SSG [redacted] SPC [redacted] and SPC [redacted] committed the offense of Failure to Report when they became aware of the murders and failed to report the incident to military or law enforcement authorities.

Investigation determined SSG [redacted] SPC [redacted] and SPC [redacted] committed the offense of False Official Statement when they provided false statements denying any knowledge of the murders. All three individuals were re-interviewed and admitted to being present when MSG [redacted] shot and killed an Iraqi detainee.

Investigation determined SPC [redacted] committed the offense of Obstruction of Justice when he contacted SPC [redacted] and instructed him not to cooperate with this investigation.

Investigation further determined SPC [redacted] SPC [redacted] SPC [redacted], and SPC [redacted] did not commit the offense of Misprision of a Serious Offense as initially alleged. A review of all the investigative facts revealed there were no indications they knew anything regarding the murder of Iraqi detainees.
