(2) CENTCOM should notify SecDef and CJCS immediately upon identifying and obtaining control of any citizen of the United States, citizen/national of a coalition-partner nation, or a person whose transfer to GTMO could raise significant policy concerns for the United States. Transfer to GTMO of these individuals will proceed only upon a determination by SecDef or his designee.

(3) CENTCOM should notify SecDef and CJCS immediately upon identifying and obtaining control of any detainee age 15 or younger. Transfer to GTMO of these individuals will proceed only upon a determination by SecDef or his designee.

This team will help coordinate issues with other agencies as appropriate.

H. ~~(S)~~ This implementation guidance will be updated and supplemented, as necessary (e.g., to accommodate possible future arrangements with other nations for repatriation of their nationals directly from Afghanistan, etc.).
