ASSAULT(UNFOUNDED)] [CRUELTY AND MALTREATMENT(UNFOUNDED)]

INVESTIGATIVE SUMMARY:

On 28 Jun 04, this investigation was initiated based upon receipt of a Memorandum of  
Transmittal (0067-04-CID789) from the Prisoner Interview/Interrogation Team (PIT), 75<sup>th</sup>  
Military Police Detachment, Baghdad Central Confinement Facility (BCCF), Abu Ghraib, IZ  
(AGI), regarding allegations Mr. [REDACTED] was abused while being detained by U.S. Coalition  
Forces at Al Baghdadi and the Baghdad International Airport (BIAP), IZ.

Investigation established sufficient evidence to prove the offenses of Aggravated Assault and  
Cruelty and Maltreatment did not occur as alleged. Investigation clearly demonstrated Mr.  
[REDACTED] was not assaulted or injured anytime during his apprehension or during the subsequent  
interrogations. Throughout the investigation, numerous medical exams documented there were  
no indications of abuse or any allegations of abuse made by Mr. [REDACTED] during the medical

exams. Further, during the interrogations by the Federal Bureau of Investigation conducted within hours and days of his apprehension, there were no reports of injuries or claims of abuse. Medical and interrogation reports consistently report Mr. [REDACTED] as being in good health with no injuries or allegations of abuse. This provided sufficient contradictory evidence to prove the assault/cruelty did not occur as alleged. *b7c-4,66-4*

Mr. [REDACTED] alleged he was put in stress positions, punched in his face and stomach, choked with an unidentified tool, and later punched in the stomach until he lost consciousness. Mr. [REDACTED] stated he fell down on barbed wires and was dragged by his feet until he received cuts to his body. Mr. [REDACTED] stated unknown individuals pulled his arms and legs backward, causing his shoulder to dislocate. Mr. [REDACTED] related the abuse occurred at Al Baghdadi, IZ, by unknown person(s) and BIAP, IZ, by agents of the Federal Bureau of Investigation (FBI). *b7c-4,66-4*  
*b7c-4,66-4*

*b7c-4,66-4*

Numerous interviews of FBI agents and medical personnel involved in the interview and medical screening of Mr. [REDACTED] determined he was transferred from Al Baghdadi, IZ, to BIAP, under their care, between 4 - 7 Mar 04, during which time he was medically screened and no observations of recent injuries were evident. FBI personnel reported at no time during their interviews of Mr. [REDACTED] was he harmed in any way. The only reference to any injuries noted in any of the FBI Interrogation Reports was a report by one of the interrogators that Mr. [REDACTED] appeared to have blisters and scratch on his feet from walking around without shoes, so the interrogator provided Mr. [REDACTED] "flip-flops" to protect his feet. *b7c-4,66-4*

*b7c-4,66-4*

Additionally, medical screenings of Mr. [REDACTED] conducted on 11 Mar 04 and 13 Jul 04, indicate he was in good health and make no reference to any cuts, scrapes, bruises, marks or any dislocated shoulders. *b7c-4,66-4*

I, [REDACTED] WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH

Q: SA [REDACTED]

A: SGT [REDACTED]

Q: I am now showing you a DD Form 2708 bearing your signature and dated 4 Mar 04; do you recognize this form?

A: yes.

Q: Is your signature on the form?

A: Yes, it is.

Q: Is everything correct on the form?

A: All except "minor bruising/scratches".

Q: Do you know who wrote on this form besides you?

A: No.

Q: If a detainee arrived with bruises and scratches, what would be your protocol?

A: First I would have him medically checked.

Q: How would the medical personnel document the injuries?

A: They log it onto a medical screening sheet, which is a separate sheet.

Q: Do you remember receiving detainee [REDACTED] from the FBI on 4 Mar 04?

A: No, its been quite some time.

Q: How many detainees have you received from the FBI?

A: Maybe a handful, and usually MI notifies us that the FBI is bringing someone in. We will keep FBI detainees separate from all other detainees and they are strict about it, we are not suppose to talk to them, we only feed them and escort them to the bathrooms, that is it. The FBI detainee normally retains there civilian clothes and does not get issues a red jump suit.

Q: Do you ever recall talking with a FBI Agent, where the FBI agent has talked about their interrogation techniques?

A: No, they are very quiet about it.

Q: Have you ever noticed a detainee that appeared he/she was abused after the FBI has interrogated the detainee?

A: No.

Q: Has there ever been a question of how a detainee was handled during interrogation and returned to your custody?

67C-4, 66-4  
"Statement of [REDACTED] taken on 7 Jul 04, at BIAP, Iraq, Continued:"

A: No.

Q: When the FBI would sign for a detainee from your facility, where would they take the detainee for interrogation?

A: If it wasn't on the facility, I couldn't tell you.

Q: If the FBI would interrogate a detainee at your facility, would they sign for the detainee on a DD Form 2708?

A: Yes they have to.

Q: Do you know why the detainee file would be missing a DD Form 2708?

A: The only thing I could think of is the records got lost in the system.

Q: Is there any reason to believe FBI Agents abused Mr. [REDACTED] 67C-4, 66-4

A: I don't see any reason why, every time they came to see us they were very polite.

Q: On the DD Form 2708, dated 5 Mar 04, releasing Mr. [REDACTED] from your custody to the FBI, under Personal Property it states "see 4137"; why would it say this? 67C-4, 66-4

A: That the FBI Agent took some evidence, apparently if the form says "see 4137".

Q: Do you have a copy of the DA Form 4137 pertaining to Mr. [REDACTED] 67C-4, 66-4

A: MI has all the records.

Q: Where would I be able to locate a copy of the records?

A: 501<sup>st</sup> MI is supposed to maintain a copy of the file for one year.

Q: Would the FBI have to coordinate with MI prior to releasing a detainee into your custody?

A: Yes.

Q: Was there any exceptions to this policy?

A: No, Absolutely not.

Q: Is there anything you would like to add to this statement?

A: No. //End of Statement// 67C-4, 66-4

## DETAILS

**BASIS FOR INVESTIGATION:** On 17 Jun 04, the 504th Military Intelligence (MI) Brigade (BDE), Joint Interrogation and Debriefing Center (JIDC), Baghdad Central Confinement Facility (BCCF), Abu Ghryeb, Iraq (AGI), reported that detainee [REDACTED] National Detainee Reporting System (NDRS) # [REDACTED] NFI, alleged he was abused while detained by Coalition Forces (CF), prior to his arrival at BCCF, AGI. b7c-4,66-4

About 1000, 17 Jun 04, this office received a statement written by SPC [REDACTED] A Company (Co), 202<sup>nd</sup> MI Battalion (BN), BCCF, AGI, detailing [REDACTED] abuse allegations. (See Statement) b7c-4,66-4

About 1700, 17 Jun 04, SA [REDACTED] reviewed [REDACTED] detainee file. During the review, it could not be determined whether [REDACTED] was captured on 26 Feb 04 or 4 Mar 04, nor the capturing unit. Two statements from the Federal Bureau of Investigation (FBI) were located regarding the reason for his arrest and several Detainee Receipts back and forth between the FBI and the 2/501<sup>st</sup> Military Police stating "in good health..." Each release to the FBI was for questioning. [REDACTED] was transported to BCCF on 11 Mar 04, via helicopter, in "OSI/FBI" custody. (See Detainee File) b7c-4,66-4

About 1312, 19 Jun 04, SA [REDACTED] with the assistance of Linguist [REDACTED] this office, interviewed Detainee [REDACTED] who provided a sworn statement detailing his abuse allegations. (See Sworn Statement and Translation of Iraqi Statement) b7c-4,66-4

About 1700, 21 Jun 04, SA [REDACTED] interviewed SPC [REDACTED] who stated she interviewed [REDACTED] on 16 Jun 04, when he made the abuse allegation. She said this was her first interview with [REDACTED] but he had been previously interviewed once. Prior to her interview with [REDACTED] she reviewed his previous interview notes and found no allegation of abuse. During this interview, while covering the circumstances of [REDACTED] arrest, he began to explain that during his detention in the Baghdad area, some American forces pulled his arms and legs backwards, causing his shoulder to dislocate. She recalled seeing a large amount of scars, to include a missing ear, on his right side, which he stated was from a childhood accident. She also recalled finding no medical records in his detainee file regarding a dislocated shoulder. She could not recall any other specifics about the allegation, other than what she had previously reported. b7c-4,66-4

TRANSLATION OF STATEMENT PROVIDED BY DETAINEE [REDACTED] NDRS

67C-3166-3

# [REDACTED] 19 Jun 04 / 1312

I am working in Civilian Defense Dept., and when I came back to my family, they told me that the American forces came and stormed the house, so I went back to the forces and I told them that I am working in ICDC, and they told me if I can go with them to the base at Albaghdadi, and I said: yes, because I know my self that I am innocent. I went with them and they hooded me and tied my hands and cut my clothes, and it is camouflaged uniform I used to wear it in work. They tortured me and cuffed me in an act called the scorpion, and pouring cold water on me. They tortured me from the morning until the morning of the next day, and when I fell down from the severing torture I fell on the barbed wires, and then they dragged me from my feet and I was wounded and, and they punched me on my stomach, and I am innocent and I have no problems with the Coalition forces, and thanks.

9. I, [REDACTED], WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH: b7c-1,661

Q: SA [REDACTED] b7c-1,661  
A: SA [REDACTED] b7c-1,661  
Q: What unit originally captured Mr [REDACTED] b7c-4,664  
A: I believe he was picked up by the ICDC and then turned over to U.S. forces in AL ASAD. I can't remember what unit. b7c-1,661  
Q: Where was Mr [REDACTED] detained prior to arriving at the BIAP? b7c-4,664  
A: We first met him at the AL ASAD Air Base. b7c-1,661  
Q: Did you interview Mr [REDACTED] at the AL ASAD Air Base? b7c-4,664  
A: Yes, on 29 Feb 04. b7c-1,661  
Q: Do you have any knowledge of Mr [REDACTED] being abused at the AL ASAD Air Base prior to you interviewing him? b7c-4,664  
A: No. b7c-1,661  
Q: Did Mr [REDACTED] have any visible injuries when you interviewed him at the AL ASAD Air Base on 29 Feb 04? b7c-4,664  
A: Not that weren't a hundred years old. He was just messy and dirty. b7c-1,661  
Q: Did Mr [REDACTED] make any complaints to you about being abused at AL ASAD? b7c-4,664  
A: No. He just said his back was sore from sleeping on a hard floor. b7c-1,661  
Q: When was the next time you interviewed to Mr [REDACTED] b7c-4,664  
A: A few days later at the BIAP. b7c-1,661  
Q: Who escorted Mr [REDACTED] to the BIAP from AL ASAD? b7c-4,664  
A: I think it was SA [REDACTED] on a helicopter. b7c-1,661  
Q: Did Mr [REDACTED] have any visible injuries when you interviewed him at the BIAP? b7c-4,664  
A: No. He was just dirty and had no shoes. b7c-1,661

A: Yes. b7c-1,661  
Q: Do you know why Mr [REDACTED] was received back on a DD Form 2708 with "minor bruising and scratches"? b7c-4,664  
A: No, I don't know why it's listed there. The writing on the DD Form 2708 "received in good health" and "with minor bruising and scratches" looks different to me. He had no injuries when we received him or brought him back. He had no shoes so SA [REDACTED] bought him some. b7c-1,661  
Q: Did Mr [REDACTED] make any complaints to you about abuse when you interviewed at him at the BIAP? b7c-4,664  
A: No. b7c-1,661  
Q: What kind of interrogation techniques did you use while interviewing Mr [REDACTED] b7c-4,664  
A: He sat in a chair and we would sit semi-circular around him. We would throw different questions at him quickly to confuse him. We would ask general questions and then throw one in that was pertinent to see if he would slip up. It was a relaxed as it could be. The only thing we did was yell and that was during the questioning to confuse him. b7c-1,661  
Q: How was Mr [REDACTED] and treated during your interviews? b7c-4,664  
A: He was treated professionally. We gave him food. Let him take breaks and use the latrine when he needed to. b7c-1,661

9. [REDACTED] 67C-4566-4, WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

I was stationed at the BIAP, Iraq as a medic from 15 Jan 04 to 15 Mar 04. Sometime in and or around late FEB 04 SA [REDACTED] or SA [REDACTED] asked me to look at a couple of detainees they were interviewing. I went with them to the interview site to treat the individuals. I treated one of them for wounds around his wrists and ankles. The wounds were probably from flexicuffs. It was more like an irritational wound not a big deep laceration. The detainee I treated had already had bandages on his wrists and ankles from someone previously providing him treatment. I just cleaned the wounds, applied some anti-bacterial cream and redressed the wounds. I examined his feet but there were no obvious wounds.

- Q: What was the name of the individual you treated?
- A: I don't know his name. 67C-4566-4
- Q: Did you treat the other detainee?
- A: No I did not. 67C-4566-4
- Q: Did either detainee complain to you about being abused while in custody at any time?
- A: No. 67C-4566-4
- Q: Did the detainee you didn't treat appear to be wounded or in need of any medical treatment?
- A: I recall him having dressing on his wrists but did not appear to be in any distress. When I got to the room I treated the one I thought needed medical attention. Neither one had any obvious open or bleeding wounds. 67C-4566-4
- Q: Did you participate in the interviews of the detainees?
- A: No. 67C-4566-4
- Q: Was this the first time you met either of the detainees?
- A: Yes. 67C-4566-4
- Q: Do you have any knowledge of these detainees being abused by their capturing unit?
- A: No. 67C-4566-4
- Q: Do you know who the detainees capturing unit is?
- A: No. 67C-4566-4
- Q: Is there anything else you wish to add to this statement?
- A: No. 67C-4566-4

CID Regulation 195-1	PAGE 1 OF 2 PAGES

**DETAILS**  
**BASIS FOR RE-INVESTIGATION:** About 1530, 1 Feb 05, this office and 11<sup>th</sup> MP Battalion (CID) Operations Officer, Camp Victory, Iraq conducted a review of this investigation to ensure the administrative and investigative requirements were met within the provisions of CID Regulation 195-1 and CID Operational Directives. It was decided to reopen this investigation, conduct a thorough review of this investigation and determine if the investigative summary supported the listed offense and justified the listing of those offenses as "insufficient evidence".

**SUMMARY OF SIGNIFIGANT EVENTS:** About 0900, 2 Feb 05, the undersigned conducted a thorough review of this investigation and determined the investigation clearly demonstrates the detainee was not injured during his apprehension or subsequent interrogations by the FBI. This fact was documented within hours of the event by both the FBI Interrogator and a medical screening conducted two days after his apprehension. The review indicates the investigation does not support listing the offenses as "Insufficient Evidence" rather, clearly indicates the offense did not occur as alleged and should therefore list the offenses as "Unfounded". A review of the Report of Investigation completed on 20 Oct 04 (original maintained in the files of the USACRC), revealed the following documentation/testimony to supporting this conclusion.

- Exhibit 14: FBI 302 clearly documents the detainee was interviewed by three FBI agents, an interpreter and a nurse (who subsequently made sworn statements – Exhibits 14, 15, 16, 18 and 19). During the course of the FBI interviews, there was only one minor issue related to the lack of shoes present and the FBI actually gave the detainee "flip-flops" to protect his feet.
- Exhibit 7: Agent's investigation Report of SA [REDACTED] dated 14 Jun 04, <sup>b7c-1, 66-1</sup> contains information from a medical professional (CPT [REDACTED]) who examined the <sup>b7c-3, 66-3</sup> detainee (at 1700 hrs, 13 Jul 04) for evidence of injury and found nothing consistent with the injuries the detainee reported. It was specifically noted there were no injuries consistent with falling on barbed wire.

This provides sufficient contradictory evidence to prove the assault/cruelty did not occur as alleged. Also there is no evidence nor proof of any attempts at conspiracy, which requires at least two parties to commit.

REVIEW OF ROI 0190-04-CID259-80234 (ASSAULT; CRUELTY & MALTREATMENT - IRAQ)

Findings:

1. The INV [REDACTED] does not support the listed offenses, nor justify the listing of those offenses as "insufficient evidence". A review of the investigation clearly demonstrates the detainee was not injured when he was interviewed by the FBI on 29 Feb 2004 (two days post capture).

- Exhibit 14: FBI 302 clearly documents the detainee was interviewed by three FBI agents, an interpreter and a nurse (who subsequently made sworn statements – Exhibits 14, 15, 16, 18 and 19). During the course of the FBI interview there was only one minor issue related to the lack of shoes present and the FBI actually gave him "flip-flops" to protect his feet.
- Additionally, Exhibit 7 (AIR) contains information from a medical professional (CPT [REDACTED]) who examined the detainee (at 1700 hrs, 13 Jul 04) for evidence of injury and found nothing consistent with the injuries the detainee reported. It was specifically noted there were no injuries consistent with falling on barbed wire.

This provides sufficient contradictory evidence to prove the assault/cruelty did not occur as alleged. Also there is no evidence nor proof of any attempts at conspiracy, which requires at least two parties to commit (only one subject is indexed).

2. The case (once unfounded, with conspiracy removed) does not require a FINAL C. It is simply a FINAL and there is no requirement to list "Leads Remaining"

Recommendation: Complete a 1<sup>st</sup> Supplemental reflecting the reopening of the investigation, unfound the offenses reported, delete the conspiracy reference and document the review of the relevant facts in a supplementary AIR, which will be an added exhibit in the FSU closing this case.

Good morning. Just touching base with you concerning the interview of SA [REDACTED] FBI, which was initially going to be conducted by your office in RFA (0650-04-CID034), but the local FBI office refused to let him be interviewed until coordination was conducted through CID Command and FBI Headquarters. *b7c-1,66-1*

67C-2,66-2

I have not received any further information from CID Command and just needed to check on the status of the interview or if your office was notified the interview was approved.

Thank you for your assistance,

Just for clarification here, is the FBI going to coordinate with their higher for approval of the interview or do I need to coordinate through Command for the interview? Let me know. I will CC this to our BN just to keep them in the loop, but if a formal request is needed, I'm sure we can make it happen.

Thanks for the effort,

I appreciate the effort and updates. Actually, we've been trying to locate [redacted] and [redacted] for interview, so if you can arrange for it, I would appreciate it if you could interview them, to include SA [redacted] and SA [redacted]. We have to exhaust all leads, and if they were there during the interviews, I'm sure the next guidance I would get from Command is to ensure it was done, so we may as well knock it out while we have them all in the same place. *67C-1,566-1*

Please ensure that all items have been answered per the RFA forwarded for completion. And I don't say that because I think you won't, but we have had several RFA's returned from other offices without all items being completed. As you can imagine it's a pain to have to re-send a request, just to find out the person(s) we were trying to track down have relocated or redeployed.

Thanks for making the interview happen. I know you must have met with a little resistance as far as the FBI is concerned, but I suppose our agency wouldn't have acted any differently.

Any chance the agents photographed [redacted] before and after interviews, or videotaped the interviews for that matter? It would definately help in closing the case. Special Forces over here have at least began photographing before and after to show no signs of abuse, which are turned over to our office whenever a complaint is made, which definately speeds up the process. *67C-4,566-1*

Let me know if you need any additional information.

Thanks again,  
[redacted] *67C-1,566-1*

Just interviewed SA [redacted] *b7C-1,66-1* Got pretty much the same information from him as SA [redacted] *b7C-1,66-1* By the way, the 2708 that shows [redacted] *b7C-1,66-1* releasing [redacted] *b7C-1,66-1* to the MPS looks doctored to me. The writing "received in good health" and "with minor bruising and scratches" looks a little different. Did you guys look into that or noticed it. SA [redacted] *b7C-1,66-1* is going to see if he has a copy of it with any notes. If not maybe you can find it with [redacted] *b7C-1,66-1* file at the BIAP. I've scheduled the interviews of [redacted] *b7C-1,66-1* and [redacted] *b7C-1,66-1* for 1300, 19 Aug 04. *b7C-1,66-1*

I'll get this done ASAP. Keep in mind it took two weeks to get one agent in here. There pretty busy like us so it might take a while to get four more in here for interviews. I contacted the IA rep at WFO and he's going to get a hold of all of the agents to see if there willing to give statements to this office. Also, all documents, photos ETC are located at the BIAP in Iraq. I'll keep you posted.

The Washington Field Office was able to complete all actions requested, however the Fort Hood CID office related they coordinated with CW5 [redacted] for the interview of the last remaining FBI Agent (SA [redacted], as his operations section related all interviews of FBI personnel had to be requested through CID Command through FBI HQ.

I just got an email from Hood and they coordinated with Opns at command and they were directed to coordinate with FBI IA to conduct the interview. I will pass this on to [redacted] *67C-1,66-1* [redacted] to coordinate with Command today and see if they want you to do the same and just *67C-1,66-1* sit in on the interview. I don't believe, but don't know if the FBI Agents were involved in the abuse. They may know the detainees medical condition when they received him, who was on the helicopter who transported him, possibly a unknown covert unit operating in Iraq, detainee may have reported something to them, ect. These guys are FBI and I don't believe he can't provide any details. We need a good detailed sworn statement from these guys. I will talk [redacted] today *67C-1,66-1* who has knowledge of how the FBI conducted their interrogations and pass it on to [redacted] maybe *67C-1,66-1* that will give some info if they are involved or not.  Thanks for the updates. I added SA [redacted] to the CC line he is now assigned to this investigation.

When this investigation was initiated we offered it to the FBI who declined. CID Command coordinated with the FBI and provided this office with the two FBI Agent's location with guidance to continue investigation.

Who did you coordinate with at Command who related the FBI Internal Affairs was going to conduct the interviews. We will have to coordinate with them because there has been no guidance that the FBI was going to conduct the interviews or is it just this one interview. Reason I ask is because I have another RFA sent to 75th MP Det to interview another Agent and to locate two other FBI Agents for interviews. Then I can provide the 75th with the same guidance you were given.

Thank you

Subject Update

0127-04-CID259-80193: The only person here is the linguist LEO. He has been on leave. I am pending his return and will be complete with this RFA.

0149-04-CID259-80212: There are only 3 people here who have interrogated him or been present. Two linguist have been located and pending interview. The one interrogator, who was present during the incident time frame, is on a traveling MI traveling team. he is only one place for about 2-3 days, therefore, I am waiting on his return.

0190-04-CID259-80234: You previously received the detainee file which contains any medical, interrogation, or other documents prior to his arrival. If they are not in there, they are not here. I have obtained his two interrogation reports from here prior to the one he made the allegation. No mention of abuse are in them. I obtained the interrogator info on them. If you want the interrogators interviewed, I will. I have found, especially now, that if the detainee mentions abuse, it is recorded and submitted to us, so I find no need to interview the interrogators here. I can find no record of FBI interrogations here.

Have a good one.

Getting answers from Detachment. It appears that the 2 SAs from FBI are suspects. We want to refer this investigation to their inhouse people if possible. We will answer the questions to see if that is appropriate.
