I, [redacted], WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

I was working the day shift on the South Part of the Ram Sight with Aguilar and [redacted] (b)(6)2;(7)(C)-2 It was around noon as I saw a Suspicious white car [redacted] driving slow going south-bound towards Kuwait. I saw this car driving Suspiciously so I pointed it out to Aguilar and we both agreed that we should search this car. So Aguilar and I both started walking towards this car with our weapons in our hands. We [redacted] agreed that ~~I would search the vehicle~~ As we approached the vehicle the vehicle slowed down and gradually came to a stop. Aguilar and I both agreed that I would search the personnel and the vehicle. ~~I put~~ [redacted] ~~well~~ I put my weapon behind the cement block barrier and I [redacted] ~~then~~ opened up the driver side door and I told the driver to please step out of the vehicle, and he did. I told the passenger to step out of the vehicle and he did as well. As soon as the driver stepped out of the vehicle I immediately took control of him, I then also demanded to face west and he did. I [redacted] ~~interlocked his fingers and placed his~~ [redacted] I interlocked the drivers fingers behind his head and told him to spread his feet, and he did. Aguilar was standing behind the barrier block keeping an eye on the situation with his weapon. I started patting him down with my right hand while my left hand was holding on to his fingers. I pulled out [redacted] an I.D. out of his [redacted] shirt pocket and I looked at him and the picture to verify if it was him and it was. At the time I asked him what he did for a living and he said that he was a college professor. I handed the I.D. to Aguilar as Aguilar came around and took it from my right side. Then I continued padding him down and then I [redacted]

[redacted] pulled out some papers and a passport with money in it. The money looked brand new but it was folded in half with a piece of paper on it. I asked him what he was doing with that much money and he said that he was going on a business trip to Kuwait. I handed the passport and all the paperwork to Aguilar and than continued my search by switching hands that interlocked his fingers so I could pat down his other side with my left hand. All I remember finding in his pocket was his keys. I took his keys and handed [redacted] them to Aguilar. I kind of pushed that guy away and told his friend that I proceeded to search him. ~~His friend had on a polo shirt and some slacks~~ The passenger had on a polo shirt and some slacks. I did the same thing to him. I interlocked his fingers and I padded him down. I checked his I.D and it was him. He had some dinars [redacted] about as much as the [redacted] driver. Not enough to really question about. I handed all his personal possessions to Aguilar, and I pushed him away and started searching the car. The first place I went to was the trunk and it was locked. So I told Aguilar to give the keys to the driver so he could unlock the trunk. Aguilar did and the driver unlocked his trunk and kept the [redacted] driver kept the keys and went and stood by the passenger in front of the vehicle. DA **I, David J. AGUILAR, want to make the following statement under oath and of my own free will:** I am not sure about the time, but it was on 11 May 04. We stopped a vehicle headed south bound on the Iraqi by pass. There were three Iraqi men in the vehicle. We pulled them off to the side of the road, there was two in the front and one in the back. The driver was wearing a business suit, and the other two were wearing civilian clothes. As SPC [redacted] and myself ask the persons to get out of the vehicle we asked them to make sure all the doors were open. Prior to searching the vehicle SPC [redacted] searched all the persons individually. The Iraqi with the suit on was the first to be searched. SPC [redacted] found documentation, Dinars and some U.S currency, at that point we did not know what it was, as it was wrapped up. SPC [redacted] handed it to me and I place it on the K rail. SPC [redacted] searched the other two individuals, and found about the same stuff. SPC [redacted] sat all the property from all three persons on the cement K rail. We put the three individuals in front of the vehicle and I provided over watch while SPC [redacted] searched the vehicle. I am not sure where he started. When he was searching the trunk, I told him to search under the spare tire. I was just assisting him on telling him were to search. They had a lot of bags, so we had the driver open all the bags, as I told SPC [redacted] not to open them. The driver opened all the bags. After completing the search we questioned them as to where they were going and what they were doing. Finding that hey had an abundance of money I questioned them on why they had the money. They Iraqi in the business suit told me he was a banker, a police man and a professor. He was just trying to show us what it meant and we told him we could not understand it. We did not believe what he was saying. That's when I told him he needed to follow us. We then took him to the south Entry Control Point (ECP), I led the way, the Iraqi was in the middle and SPC [redacted] was behind him. When we approached the ECP 1LT [redacted] was there, and we told him the situation he had, the guy giving several stories about what he did. He told me to call it up, I started walking away and SPC [redacted] and the Iraqi arrived up to 1LT [redacted] walked to the M113, to call it up. It took a while for Hell fighter base to get back with me. Hell fighter base came back saying to take a picture of the Iraqi and his car. SGT [redacted] came over the radio and informed them that he already had a picture of it. Hell fighter base said to go a head and let them go. I came out of the M113 and the Iraqi was leaving. I didn't see anyone give the Iraqi back his money.

Camp Cedar, Iraq

I, [redacted] want to make the following statement under oath: I deployed to Kuwait on 17 Mar 04 and got to Iraq on 4 Apr 04. My company is assigned Force Protection. We have a roving patrol around Cedar 2 along with a QRF, Refuel on the Move (ROM) security and the third mission is South Entry Control Point (ECP) of Cedar 2. On 11 May 04, my squad was security and force protection on the ROM site which is on MSR Tampa. Sometime mid morning before lunch I was on my way to the South TCP to check on my guys there. It was a routine roving check. En-route I heard a radio transmission in which CPL AGUILAR contacted our HQ's (Hellfighter Base) and wanted to know the amount of cash a local national could have on their person. That got my attention because we had been through it before that the amount of cash is not an issue due to there being no national banks or credit cards. I arrived at the South TCP on MSR Tampa and observed an Iraqi national at the guard shack with CPT AGUILAR, SPC [redacted] and 1LT [redacted] I asked what the situation was and they briefly explained they searched the vehicle and found a large quantity of American Money on the individual and that the individual's story changed as for the reason he had so much money and what he did for a living. I talked to the Iraqi national and took his identification cards and they looked legitimate and then consulted with 1LT [redacted] who stated from what he saw it was legitimate for the Iraqi national to have the money. I concurred and asked the gentleman if he had the money and he said he did and pulled out the folded money. I proceeded to take his picture along with ID card. I escorted him back to his vehicle and then took a picture of the vehicle. Then he departed the scene.

A. [redacted]
Q. Who was with you in your vehicle?
A. SPC [redacted] (b)(6)5,(7)(C)-5
Q. Who was working the south TCP point during this incident?
A. CPL AGUILAR, SPC [redacted] and I am not sure of the third person.
Q. Did you hear any other radio transmissions in reference to this incident?
A. HQ came back with something like "how much is it" and then the response from CPL AGUILAR was I think "about $3000.00 US dollars." HQ also inquired as to my location and I informed them that I was about 1 minute from their location and was en-route. HQ requested I advise when I got briefing on the situation.
Q. What is the unit policy in reference to searching Iraqi civilians at checkpoints?
A. We did not have a written SOP. This incident brought out a need for a written SOP. Our unit was doing what we were taught by 82nd Airborne when we did our relief in

place. They taught us to do random searches especially southbound, to be on the look out for large amounts of money and weapons or anything out of the ordinary. Their thinking was if we did random searches word would get out this was not a good place to try and transport illegal things through.

Q. Was there a policy on taking cash from the possession of Iraqi civilians to count?

A. No, there was no set policy. It was common practice that when we searched, my self included, we would empty their pockets in view of them, usually on the hood of the car, look through their wallets. In the past it was all in plain view.

Q. Why did it get your attention when CPL AGUILAR asked about how much cash an Iraqi civilian could carry?

A. Because we had gone over that having large sums of money was not justification alone to alert to suspicion of any wrong doing. All of the guys squad knew this that is why I got upset when he brought it up and bothered HQ.

Q. What exactly was going on when you arrived at the South TCP?

(b)(6),(7)(C) A. The Iraqi national was standing by the shack and CPL AGUILAR was on his left, and SPC [redacted] was on his right and 1LT [redacted] as on his right. I think they were waiting for me to show up.

Q. Did they tell you how the Iraqi nationals story keep changing?

A. Yes, from what SPC [redacted] said, the guy claimed to be a professor, then something to do with a bank and then some type of businessman. I never got what the money was for and did not ask because there was no reason to suspect the Iraqi national.

Q. Do you remember the Iraqi nationals name?

A. No, but the ID's he presented were; from a University and one was some type of bank consultant.

Q. What did the Iraqi national look like?

A. Older gentleman, late 40's early 50's, business suit, dark hair, I want to say mustache, no beard, glasses. Looked like a businessman.

Q. Where is the picture you took of the Iraqi national and his vehicle?

A. It is on my personnel computer back at Camp Cedar.

Q. Why did you take the pictures?

A. I made a habit of taking pictures of all Iraqi's that we came in contact with to keep a database just in case we needed to ID them at a later time.

Q. Was there anyone else in the Iraqi nationals vehicle that was stopped at the checkpoint?

A. Yes, there were two males. An older gentleman in the back and I can't remember anything else because that was not my concern at the time as the vehicle had already been searched.

Q. Can you describe the vehicle?

A. It was a 4 door sedan, possibly a Toyota, either white or silver, and a current model, 2000 or above maybe.

Q. What exactly did the Iraqi national say to you?

A. He told me he had a lot of different jobs, stated something about the university and that he did work for the bank.

Q. Do you know who conducted the initial search on the Iraqi national or his vehicle?

I, [redacted] WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

APPROXIMATELY SIX WEEKS AGO AT THE KENWORTHE ROM SITE I HAD BEEN THE GUNNER FOR MY SQUADS ROWVING ELEMENT BIG DOG ONE WITH MY SQUAD LEADER SGT [redacted] OUR SHIFT FOR THAT PLACE OF OCCUPATION TOOK PLACE DURING THE HOURS OF 0700 TO 1500. ABOUT THE MIDDLE OF OUR SHIFT AROUND THE TIME 1245 SGT. [redacted] AND I OBSERVED A SMALL RED PICK UP TRUCK THAT MISS THE CIVILIAN BIPASS EXIT AND HEADED TO THE LOCATION OF OUR BIG DOG NORTH ELEMENT WHILE WE WERE PARKED UNDER THE FIRST OVERPASS NORTH OF THE ROM SITE. AS THE VEHICLE PASSED OUR LOCATION SGT. [redacted] RADIOED TO THE BIG DOG NORTH ELEMENT THAT THE A VEHICLE IS HEADING TO THEIR LOCATION AND TO TURN THE VEHICLE AROUND BACK UP TO THE OVERPASS TO TAKE THE CIVILIAN BIPASS. THE SOLDIERS MANNING THE NORTH CHECK POINT WERE SGT [redacted], SPC. [redacted] AND SPC. [redacted] BECAUSE OF THE TIME WHICH WAS NOW ABOUT 1300 SGT [redacted] AND I DROVE DOWN TO THE NORTH ~~CKECH~~ CHECK POINT TO CHECK ON THE ARRIVAL OF NOON CHOW. AT THAT TIME WE FOUND OUT THAT NOON CHOW HAD ARRIVED AND THAT THERE WAS A SITUATION AT OUR SOUTH CHECK POINT, BIG DOG SOUTHS LOCATION REGARDING A MAN WITH A LARGE SUM OF MONEY. AT THAT TIME SGT. [redacted] AND I DROVE DOWN TO THE SOUTH CHECK POINT TO BECOME AWARE OF A MAN OF IRAQI DECANT, CLEAN CUT WHOM APEARED TO BE IN HIS LATE 30'S TO EARLY 40'S DRESSED IN A BUISSNESS SUITE HAD TO MY KNOWLEDGE 1800 DOLLARS, AMERICAN CURENCY, IN HIS POSESSION. WHEN WE ARRIVE ON LOCATION WE ALSO CAME TO FIND OUR EXO, 1ST LT [redacted] AND HIS DRIVER, SPC [redacted] ON LOCATION TOO. ALSO AT THE SOUTH CHECK POINT WORKING THERE THAT DAY WERE CPL. AGUILAR, SPC. [redacted] AND I'M NOT SURE, SPC. [redacted] WHEN WE ARRIVED I SAW SPC. [redacted] AND SPC. [redacted] TALKING TO MAN WITH 1ST LT. [redacted] SUPERVISING. I WATCHED LONG ENOUGH TO UNDERSTAND THE SITUATION FROM A DISTANCE OF 5 TO 10 METERS. FROM THE LOCATION OF WHICH I STOOD, I ALSO SAW THE MANS MONEY GIVEN BACK TO HIM. SPC. [redacted] TOOK THE MONEY FROM A POCKET ON HIS UNIFORM AND HANDED THE MONEY BACK TO THE MAN AND JUST BEFORE THE MAN WENT TO THE POCKET MONEY SPC. [redacted] ASKED THE MAN TO CHECK HIS MONEY AND TO MAKE SURE IT WAS ALL STILL THERE. AT THAT TIME THE MAN DID AND FROM WHAT I SAW HE MADE A GESTURE THAT ALL OF HIS MONEY WAS BACK IN HIS POSSETION AFTER THE MAN RECEIVED HIS MONEY BACK I THEN STOPPED WATCHING THE SITUATION AND ASSISTED THE TEAM ON DUTY BY HELPING MAN THE CHECK POINT. TO MY KNOWLEDGE THE MAN LEFT MOMENTS LATER IN A CAR PARKED ON THE SOUTH BOUND SITE WHICH I NEVER SAW BECAUSE OF A K-RAIL WHICH BLOCKED MY VISION.

Q- How many people where in the vehicle that SPC [redacted] stopped? (b)(6)5;(7)(C)-5
A- I believe just the one man.
Q- Could there have been more that you did not see?

A- I do not know, I think he was standing off at a distance and watching what was going on, I am not sure because I was not paying attention. All that I know is that he was at the same location that I was.
Q- Did you see SPC [redacted] with anything other then the money?
A- Other then the money that belonged to the man, No.
Q- Was the money US or Iraqi currency?
A- To my knowledge it was American currency.
Q- After SPC [redacted] gave him his money back what happened?
A- At that same time, SPC [redacted] told the Iraqi to make sure he got the correct money back, the guy counted his money and made a gesture that his money was good, then I lost interest in the situation because the situation appeared to be under control so I assisted the other soldiers with their duties and stepped over to watch north bound traffic and incoming convoys and I believe moments later the man departed.
Q- Did you see the man get back into his car and leave?
A- Negative.
Q- Did you ever see the vehicle the man was driving?
A- Negative, I never saw it.
Q- Why did SPC [redacted] have the money in his pocket?
A- I do not know why he put the money in his pocket.
Q- How do you know that it was 1800 dollars U.S. that [redacted] gave back to the man?
A- That is just a number that I believe that I heard, it could have been something different.
Q- Was LT [redacted] and SPC [redacted] all ready at the location assisting SPC [redacted] and CPL AGUILAR when you arrived?
A- Yes, they were all ready there.
Q- To your knowledge did anyone take or confiscate any of the money from the Iraqi?
A- No, no one took and kept the money to my knowledge.
Q- Did SPC [redacted] or CPL AGUILAR talk to you about the incident after it happened?
A- No, neither one of them talked to me directly about the incident.
Q- How do you mean indirectly?
A- I heard [redacted] talked about the incident after we got back and said that the man was not giving him a straight answer as to what he was doing with the money and could not tell him where he was going, what he was doing, or where he was from.
Q- From what you know do you think anyone took the Iraqi's money?
A- No.
Q- Did you notice SPC [redacted] or CPL AGUILAR with any extra cash or any 100 dollar bills after the incident?
A- No.
Q- Why do you think the Iraqi's made the complaint at the CPA in Nasiriyah, then Camp Cedar II, and then Tallil?
A- Because of the Abu Griyaib prison scandal and they are out to make a buck and they know that we are easy targets, they drive by that site everyday and it wouldn't be hard for them to figure out how to cause a problem at that location.
Q- Has there been any other incidents like this one in the past? Since the prison scandal?
A- Negative.
Q- Is there anything that you would like to add to this statement?
A- No [redacted] END OF STATEMENT///

I, [redacted] WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

On 11MAY2004, I pulled up to the South TCP at the ROM site. When I pulled up to the guard shack, CPL Aguilar and SPC [redacted] were searching a white sedan at the point where the civilian bypass meets the MSR (southbound). SPC [redacted] and CPL Aguilar brought one local national back to the guard shack. CPL [redacted] told me that he was suspicious of the local national because he was carrying an unusual amount of cash (I believe it was over $1000 in US currency, although I cannot recall the exact amount), and that the LN didn't have a "straight story". The LN had supposedly told SPC [redacted] and CPL Aguilar conflicting stories on where he was going and what his business was. During this time, SSG [redacted], the squad leader, called in a situation report to the BDOC. I checked the LN's identification, which consisted of a passport and Iraqi Business Bureau ID. The LN conveyed to me that he was on a business trip, and I attributed any perceived conflicts in his story to our soldiers as being caused by a language barrier. Nothing about the LN's story or ID's seemed suspicious to me, so I told SPC [redacted] to return the man's money. I asked the LN to count the money to ensure it was the correct amount. The LN counted the currency and told me that it was the correct amount. The LN then returned to his vehicle and headed south. [redacted]

Q- Did you type the above statement?
A- Yes. (b)(6)-5;(7)(C)5
Q- Did you observe SPC [redacted] stop the Local Nationals vehicle?
A- No.
Q- When did you arrive at the incident?
A- When I arrived they were both at the local nationals vehicle and from where I was standing they looked as if they were conducting the search and questioning the driver.
Q- Who was conducting the search? (b)(6)5;(7)(C)-5
A- CPL AGUILAR and SPC [redacted] were out there, I am not sure I was standing approximately 50 meters away and could not tell for sure.
Q- Was anyone else supervising the search of the vehicle? (b)(6)2;(7)(C)-2
A- It was just those two soldiers conducting the search, SGT [redacted] the squad leader pulled close to the same time I did I believe.
Q- How many individuals where in the vehicle?
A- I saw the one that they brought back to the shack and the local nation that they brought back to the shack said that their was another one in the vehicle, but I did not actually see the other one.
Q- What all did SPC [redacted] and CPL AGUILAR find when they searched the vehicle? (b)(6)5;(7)(C)5
A- They did not find any weapons, but when SPC [redacted] brought the Local National back to me he said he had an unusual amount of currency and the local national had his identification papers in his pocket.
Q- What was the unusual amount of money?
A- It was U.S. Currency and I am not sure the exact amount but it was over a $1000.
Q- Did the Local National have any other currency?
A- Not that I saw, I am not sure if he did or not.
Q- Who had the U.S. currency when you saw it? (b)(6)5-7(C)5
A- SPC [redacted]
Q- Where was he keeping it?
A- In his pocket. (b)(6)-2(7)(C)-2

"STATEMENT OF 1LT [redacted]. AKEN AT LSA Adder, Iraq, APO AE 0[redacted]31 DATED 23 June 04 CONTINUED."

0058-04-CID939-8265

[redacted]Q- Why was he keeping it in his pocket?
A- When I first saw he had it in his pocket I did not like the idea of him keeping it there and I told the squad leader that I didn't, but I think that he was keeping it in his pocket because he did not have anywhere else to keep it at the time.
Q- Did SPC [redacted]S give the money back to the local national? (b)(6)-5 7(c)-5
A- Yes, I told him to give the money back to the Local National.
Q- Did you tell the local national anything when SPC [redacted] gave him the money back?
A- I asked him to count the money to make sure it was the right amount, and he flipped through the money and indicated to me that it was the right amount.
Q- How did he indicate to you that it was the right amount?
A- He said "yes it's fine". (b)(6)-5 7(c)-5
Q- Did he actually count the money that SPC [redacted] gave back to him?
A- He seemed very nervous at the time and he flipped through it with his index finger and he seemed to be counting it and said it was fine.
Q- Did you see the local national get back into his car?
A- Yes, but when he was walking back to the car I noticed a truck parked in front of the car and it seemed like the driver could have been talking to the other local national and I asked the local nation that was with SPC [redacted] about the truck to make sure everything was all right and he said "it was fine". (b)(6)-5 7(c)-5
Q- Where was the other local national while SPC [redacted] took the one to the check point?
A- I never saw the other one, but I am assuming that he was in the passenger seat, and the local national we were dealing with said that he was some well to do, banker and I am not sure was city the passenger was from.
Q- Did the local nation tell you anything before he got back into his car?
A- He thanked me when we were back at the shack and then he said something about it reflecting good on Americans. He also brought up the fact that the passenger was a big time banker.
Q- Do you think the money was the local nationals you talked to or the bankers money?
A- I have no way of knowing, and now that I think about it I am not sure where or who SPC [redacted] got the money from I just assumed it was the local national that he gave it back to. (b)(6)-5 7(c)-5
Q- Did you actually witness SPC [redacted] get them back into the car and them leave?
A- I am not sure if they walked him back or if he walked back to his car himself, and I am not sure if I saw it because I went and talked to SGT [redacted] afterward. (b)(6)-5 7(c)-5
Q- Did you look at the currency that SPC [redacted] gave back to the Local National?
A- I did not actually flip through it or count it but I saw that it was 100 dollar bill U.S. currency.
Q- Did you notice any markings or anything different about the bills?
A- No, I didn't look at them close enough.
Q- Did you hear the checkpoint call the stop, in over the radio?
A- the original stop no, I think that SGT [redacted] called something over the radio.
Q- Why did they stop the vehicle?
A- They conduct random checkpoints on the MSR. Usually do it with the "BIG DOG" which is the roving HMMWV, but the people who man the checkpoints do randomly check the vehicles coming onto the MSR northbound and southbound.
Q- What type of truck was parked in front of the Local Nationals vehicle?
A- It was some sort of semi or cargo type truck.
Q- What type of vehicle was the local national driving?
A- It was a white four door sedan, I am not sure what the vehicle make was but it was like a Toyota or Nissan and a newer model then most of the local nationals drive.
Q- Was there any other vehicle searches conducted that day?
A- Yes, I am not sure how many at least one other was searched.
Q- Was there any other currency found during the searches?
A- Not that I know of.
Q- Do you have anything to add to this statement?
A- No.///End of Statement///[redacted]

STATEMENT OF CUSTOMER RIGHTS UNDER THE RIGHT TO FINANCIAL PRIVACY ACT OF 1978

Federal law protects the privacy of your financial records. Before banks, savings and loans associations, credit unions, credit card issuers, or other financial institutions may give financial information about you to a federal agency, certain procedures must be followed.

CONSENT TO FINANCIAL RECORDS

You may be asked to consent to the financial institution making your financial records available to the Government. You may withhold your consent and your consent is not required as a condition of doing business with any financial institution. If you give your consent, it can be revoked in writing at any time before your records are disclosed. Furthermore, any consent you give is effective for only three months, and your financial institution must keep a record of the instances in which it discloses your financial information.

WITHOUT YOUR CONSENT

Without your consent, a federal agency that wants to see your financial records may do so ordinarily only by means of a lawful subpoena, summons, formal written request, or search warrant for that purpose. Generally, the federal agency must give you advance notice of its request for your records explaining why the information is being sought and telling you how to object in court. The federal agency must also send you copies of court documents to be prepared by you with instructions for filling them out. While these procedures will be kept as simple as possible, you may want to consult an attorney before making a challenge to a federal agency's request.

EXCEPTIONS

In some circumstances, a federal agency may obtain financial information about you without advance notice of your consent. In most of these cases, the federal agency will be required to go to court for permission to obtain your records without giving you notice beforehand. In these instances, the court will make the Government show that its investigation and request for the records are proper. When the reason for the delay of notice no longer exists, you will usually be notified that your records were obtained.

TRANSFER OF INFORMATION

Generally, a federal agency that obtains your financial records is prohibited from transferring them to another federal agency, unless it certified in writing that the transfer is proper and sends a notice to you that your records have been sent to another agency.

020679

PENALTIES

If the federal agency or financial institution violates the Right to Financial Privacy Act, you may sue for damages or seek compliance with the law. If you win, you may be repaid for your attorney's fee and costs.

Without your consent, a Federal agency that wants to see your financial records may do so ordinarily only by means of a lawful subpoena, summons, formal written request, or search warrant for that purpose. Generally, the Federal agency must give you advance notice of its request for your records, explaining why the information is being sought and telling you how to object in court. The Federal agency must also send you copies of court documents to be prepared by you with instruction for filling them out. While these procedures will be kept as simple as possible, you may want to consult an attorney before making a challenge to a Federal agency's request.

EXEPTIONS

In some circumstances, a Federal agency may obtain financial information about you without advance notice or your consent. In most of these cases, the Federal agency will be required to go to court for permission to obtain your records without giving you notice beforehand. In these instances, the court will make the Government show that its investigation and request for your records are proper. When the reason for the delay of notice no longer exists, you will usually be notified that your records were obtained.

TRANSFER OF INFORMATION

Generally, a Federal agency that obtains your financial records is prohibited from transferring them to another Federal agency unless it certifies in writing the transfer is proper and sends a notice to you that your records have been sent to another agency.

PENALTIES

If the Federal agency or institution violates the Right to Financial Privacy Act, you may sue for damages or seek compliance with the law. If you win, you may be repaid your attorney's fees and costs.

DETAILS

About 1605, 28 Jun 04, SA [redacted] received a telephone call from Ms. [redacted] mother of SPC [redacted] who stated she would be available for an interview on 1 Jul 04, between about 0930 and 1000. Ms. [redacted] related she was the director of a daycare center about five minutes away from her residence, and could come home for the interview anytime on 1 Jul 04.

About 1040, 30 Jun 04, SA [redacted] received a second telephone call from Ms. [redacted] who stated that she had been contacted by a lieutenant in Iraq who told her that she did not need to be talking to CID, and that her son had been through enough already. Ms. [redacted] related that she knew her son had been interviewed for four hours and was sad about what was happening, but didn't know much beyond that before this lieutenant called her. She stated the lieutenant, whose last name she later provided as "[redacted]", told her that her son was being questioned because someone claimed that money had been stolen from him, but that the unit treats each other like family and they're looking out for him. Ms. [redacted] stated it wasn't very fair that these young people were fighting honorably for their country and now the Army is treating them like this. When asked, Ms. [redacted] stated she had never heard from [redacted] before, but it sounded as though he was in her son's unit rather than an attorney, because of the way he said they were taking care of each other, fighting side by side, and words to that effect. Ms. [redacted] stated she felt responsible about what was happening because she had been the one to encourage her son to join the National Guard. She stated he had joined the Guard to get money for college, which he planned on attending. Ms [redacted] stated her son had never been in trouble, was always a good kid, played on the varsity golf team in high school, and wanted to be a police officer like his brother. Ms. [redacted] stated her son was never hurting for money, and he held a job at In 'N Out Burger, so would have no reason to take any money. Ms. [redacted] stated she knew nothing about the money, and didn't know why she needed to be interviewed when she didn't know anything. When asked if she was refusing to be interviewed by CID, Ms. [redacted] stated that she didn't feel comfortable talking to us after [redacted] had advised her not to, and she had told him that she would do anything to help her son, at which point he told her that she could help him better by not providing any statements. Ms. [redacted] stated she would be willing to be interviewed by CID if her son, his attorney, or [redacted] was to tell her it was all right for her to do so.

AGENT'S COMMENT: Ms. [redacted] was very emotional on the phone, stating she was sorry that she was crying, but she was upset and hadn't slept well for two nights because of this situation.///LAST ENTRY///

I, [redacted] **want to make the following statement under oath and of my own free will:** I have not, at any time, intentionally attempted to interfere with the conduct of this investigation. I have discussed the following incidents with CID agents: CPL Aguilar and SPC [redacted] Obtaining Attorneys- To the best of my recollection, CPL Aguilar approached my company XO regarding a telephone call made to his wife by a CID agent. He was upset and requested that he speak to an attorney. I believe that Aguilar made this decision on his own, and I am not aware of anyone who would have suggested that he do so. I did not at any time advise CPL Aguilar to seek an attorney. The XO contacted TDS on his behalf, I'm not sure exactly what time this may have happened, and I'm also not sure just as to when SPC [redacted] was included in this. On (b)(6)5;(7)(C)-5 Tuesday 29 JUN 04 I was informed that 1LT [redacted] had arranged for CPL Aguilar and (b)(6)-2;(7)(C)-2 (b)(6)5;(7)(C)5 SPC [redacted] speak to an attorney at Tallil AB. A short time later I received a call from (b)(6)1;(7)(C)1 Agent [redacted] requesting that Aguilar and [redacted] be made available for further (b)(6)-5;(7)(C)-5 questioning. I informed Agent [redacted] that they had sought representation. I was under the belief that Aguilar and [redacted] could only be made available for questioning by their (b)(6)5;(7)(C)-5 (b)(6)1;(7)(C)1 attorney. I told Agent [redacted] that I needed to check on their status with my 1SG and would get back to him. I believe I also proved him with Aguilar and [redacted] Attorney's (b)(6)-5;(7)(C)-5 name and phone number. When agent [redacted] called back, I believe my XO spoke to him and informed him that Aguilar and [redacted] attorney did not want them to speak with CID. I left the issue at that, not understanding that I should have brought them to CID anyway and allowed their attorney to meet with CID on their behalf. I did not take this action to interfere with CID, I thought that they now had to work through the soldier's attorney and not me. Directive that Chain of Command Accompany Soldiers Who Go to Tallil to Meet with CID- I did direct the company leadership that if CID wanted to interview any of their soldiers that I wanted a member of their chain of command to escort them to and from Tallil. The intent was that the chain of command be kept informed of who was being taken off duty and questioned, as well as to insure the soldiers understood that they were not being placed in a negative situation, that they had support if they needed it. I also wanted to insure that we educate ourselves as well as our soldiers what their rights were. I was concerned that the collective inexperience of the (b)(6)2;(7)(C)-2 company in dealing with situations like this would cause greater turmoil and effect morale. My intent was to insure that the chain of command was their if they needed us. (b)(6)5;(7)(C)-5 Phone Call Made to [redacted] Mom- I was made aware that 1LT [redacted] contacted SPC [redacted] (b)(6)5;(7)(C)5 mom. I do not know when this call took place. I had discussed the worry and concern that this investigation might cause families of those involved with some in my leadership. I agreed that someone should contact Mrs. [redacted] and Mrs. [redacted] to explain what was (b)(6)3;(7)(C)-3 happening and what their son and husband were being accused of. At not time did I suggest that 1LT [redacted] give advice of any sort to [redacted] mother. Until this afternoon, I [redacted]

I, [redacted] **want to make the following statement under oath and of my own free will:** I am not sure of the exact date, but during shift three Iraqi gentlemen pulled into the search yard in four-door vehicle. I did my routine search, with SPC [redacted] as my security and SPC [redacted] assisting me. I found a large sum of money hidden in a pillow and another large sum of money in a black bag that was inside of another bag that had clothes in it. I asked what the business was of them being there and they told me, they were there to pick up money that was confiscated from them. I called up to Hellfighter base and asked for information concerning the gentlemen's money. They replied with it's under investigation and that they would have to return later. The Iraqi's wanted to know how many days to return. I myself told them to check back every two weeks. They asked for Point of Contact for the officer who took pictures of the vehicle. I called Hellfighter base again to ask permission to release the officer's name, they replied with negative, do not release the officer's name. The three individuals asked me who they were suppose to contact if I could not release a name. I then showed them a tattoo on my ~~right~~ wrist and told them I would help them as much as I can to retrieve the money. Never did I confiscate any item from them.

[redacted], [redacted], want to make the following statement under oath and of my own free will: I was working as Roving patrol where we patrolled our area surrounding the immediate perimeter around Camp Cedar II. About 1230 and 1300 we were leaving Camp Cedar after eating lunch, we heard over the net that Big Dog South had a vehicle with two Iraqi Nationals who had $3000.00 US currency. We were traveling south on Cedar Road and the Squad leader asked over the radio if the Romeo unit which was us, needed to be on the scene. Hell-fire base told us that we did not need to go out there and to continue our roving mission. Later on that day, that evening CPL AGUILAR came to my tent and asked me if I would hold some Iraqi Dinar for him. He said that he felt that some people were trying to steal his money. He had the money in a wad and he unfolded it. It was a large amount of Iraqi Dinar he fanned it out I could see two one hundred dollar bills ~~mixed in~~. I asked him why he wanted me to hold it and that was when he said he thought that people were trying to take it from him. I turned away and grabbed my black folder from my shelf and he handed the money to me and I placed it in an envelope and put it in the folder. The same day was when 1SG [redacted] and LT [redacted] came through my tent doing a tent inspection we did not know what they were looking for. They said they are looking for anything that we were not supposed to have any contraband and large amounts of money. So asked them what was considered a large amount of money. I told them that I had a lot of Dinar, and they said they were not worried about it. Then [redacted] searched my area real quick looking at the obvious spots, and moved through the tent and left. A couple of days after the inspection, I was getting ready for shift I was outside smoking a cigarette and CPL AGUILAR came up and said hi. I asked him what was going on because I heard rumors that there was money stolen out at the ROM. He said "he did not have anything to do with what was going on". He said "between me and you I think that SPC [redacted] had something to do with it". I told him that he needed to come pick up his stuff. He told me he would come by and get it. I did not want to spread anymore rumors so I did not talk to anyone about what he said. About a week later, after the rumors got worse, my squad leader came in front of the squad while we were on shift one night. He said that if anyone has anything that they know or knows what is going on to get it out in the open and let him know. So I told him about the Dinar that I had, and he said Ok if you get asked or interviewed about this to tell them everything you know and tell the truth. Sometime before I spoke with my squad leader but after AGUILAR gave me the money, CPL AGUILAR came to my tent and asked me for some of the Dinar because he knew I was not comfortable holding on to it. He took all of the big bills of Dinar and left about 75,000 dinar in the 5,000 bills. The night I spoke with my squad leader I got off of shift the next morning at

0700 and I looked through the Dinar that I had and I noticed that the 2 $100 bills were mixed in with the dinar I wasn't sure at the time that he had handed me the 2 $100 bills with the dinar. I also noticed that one of the $100 bills had a small black stamp on the front side of the bill near the upper right hand corner. I confronted him about it and told him he needed to come get the rest of it and if he was mixed up in this in some way that he needed to go talk to someone. He reassured me that he did not have anything to do with what was going on. He seemed to blow me off and said something like he would come and get it later. Later that day I took the money out of the envelope and on my way to lunch I went to the amnesty box and threw it in. Either that evening or the following evening he came to me and asked where his money was and I told him I got rid of it. I said I do not know what you are mixed up with and I do not know if you are trying to get me mixed up with it. I told him how I felt about him bringing me the money and all of the stuff that is going on. Then he walked out of the tent and about 5 minutes later he came in and asked me what I did with it and where it was at. I told him that I put it in the amnesty box and he asked me why I did it. I told him it was hard for me not to get angry with him because he put me in that position. He left and came back a few minutes later and said he talked to the 1sg [redacted] about getting it back and he needed to know exactly what amnesty box it was. I told him it was the one at the front of the camp and he left again. Later that evening, my squad leader asked me what was wrong between me and AGUILAR and I told him that I am tired of putting 100% into a friendship and only getting 50% back. From that time until a couple of days ago, maybe the morning of the 6th of July, I didn't talk to anyone and never ran into AGUILAR, I saw him around but we never talked. On the morning of the 6th he came up to me while I was at a computer in the [redacted] Internet Café, he walked by and said hey I need to talk to you if you have a minute. I said ok lets talk, I went outside and he said I apologize for giving you that stuff, I do not have anything to do with it, that stuff didn't have anything to do with it, and I see how bad it looks now. He said he wanted to apologize and swallow his pride and try to save our friendship. I said I feel like you lied to me and put me into a horrible position and I am not going to be able to forgive you or forget it. He then told me about how him and his wife are on bad terms because of this whole situation and how he didn't tell her anything that was going on and then someone from the military called her and was asking her questions about it. He said CID questioned him and said that [redacted] said that he had something to do with it. CPL AGUILAR then said that they think [redacted] did it. I said I don't know but I do not want to talk about it anymore. Then we just talked about general things family and stuff. Then I walked in and used the phone.

At 0900, 6 Jul 04, SA [redacted] coordinated this investigation with SA [redacted] 78th MP Det (CID), LSA Adder, Iraq, APO, AE 09331. SA [redacted] stated both SPC [redacted] and CPL AGUILAR revoked their consent for financial release to allow their bank records to be obtained. (b)(6)5;(7)(C)-5

AGENT'S COMMENT: The bank records of SPC [redacted] had not been requested prior to him revoking his consent, due to a discrepancy in the name of the bank. The consent authorization detailed the bank's name as California Federal Credit Union (CAL FED). A search of bank databases within the state of California, did not reveal CAL FED to be a valid existing bank.

(b)(6)1;(7)(C)-1

About 0900, 13 Jul 04, SA [redacted] coordinated this investigation with Mrs. [redacted], Fraud Investigator, KFCU, Bakersfield, CA 93389. Mrs. [redacted] conducted a search of the banks money vault for any U.S. currency bearing the campfire stamp within the two identified branches of KFCU. The search did not reveal any U.S. currency bearing the stamp. Additionally, Mrs. [redacted] stated based on the date the deposits were made, any U.S. currency that might have been stamped, has already processed through the federal banking system. Further, Mrs. [redacted] verified that the four transactions were from deposits made at an ATM and was in the form of payroll checks, not cash or personal checks. However, Mrs. [redacted] stated the $600.00 deposit was in the form of a Western Union Check, which was purchased by Lisa [redacted] (NFI), paid to the order of [redacted] (See Photographic Copy of Western Union Check for details)

AGENT'S COMMENT: Mrs. [redacted] conducted canvass interviews of the following bank tellers working at KFCU

File Number: 0058-04-CID939-82650
Location: 78th MP DET (CID) (-), LSA Adder, Tallil, Iraq APO AE 09331
Date: 16 Jul 04 **Time:** 1050
Statement of: [redacted], SFC
SSN: [redacted]
Org/Address: C CO, 1/185th AR BN
Camp Cedar II, Iraq

I, [redacted], want to make the following statement under oath: I am the 3rd Platoon SGT for C CO, 1/185th. Shortly after arriving here we learned from a KBR employee of a possible investment opportunity, which involved exchanging American Dollars for Iraqi Dinar. The hopes were that the Iraqi Dinar would go up in value and turn a nice profit.

Q. [redacted] (b)(6)-1-7(C)1
A. [redacted]

Q. Did CPL AGUILAR give you money to exchange for Iraqi Dinar?
A. Yes, about 4 ½ weeks ago he gave me five $100.00 dollar bills to exchange.
Q. Was there anything unusual about the $100.00 dollar bills?
A. No, they were new and crisp but I do not remember anything unusual about them.
Q. Do you remember if there was any type of stamp on the $100.00 dollar bills?
A. No, I did not look at them that closely.
Q. How often do you exchange money for soldiers in your unit?
A. I would say weekly.
Q. How many soldiers in your unit were exchanging money?
A. I would say about 20 to 25.
Q. How many times did CPL AGUILAR give you money to exchange?
A. About 4 times, with the last time being 4 ½ weeks ago and that was the largest amount he exchanged.
Q. Is it unusual for a soldier to give you $500.00 to exchange at one time?
A. No, sometimes people would give me $300.00 and once or twice I got $500.00.
Q. Where did you exchange the money? (b)(6)3-(7)(C)-3
A. At first we used the KBR employee and then it was [redacted] at the Pink Palace right outside the gate of Tallil going toward An Nasiriyah.
Q. How much Iraqi Dinar would $500.00 dollars be?
A. About 600,000 to 650,000 Iraqi Dinar.
Q. How much Iraqi Dinar did most soldiers try to obtain?
A. About 1 million in Iraqi Dinar, which would be about $800.00 or $900.00 dollars.
Q. What did most people do with the Iraqi Dinar once they obtained it?
A. I would not know. I would say mail it home or keep it in their living quarters.
Q. Did you ever provide a receipt for the exchange to the soldiers?
A. No.
Q. Did you keep track of how much you exchanged and for what soldiers?

(b)(6)2,(7)(C)-2

STATEMENT OF [redacted] TAKEN AT 78th MP DET (CID) (-), LSA Adder, Tallil, Iraq, APO AE 09331, DATED 16 Jul 04 CONTINUED:

A. I did but it was in a green pocket notebook. I did it so it would not be perceived that I ripped off a soldier. I do not have the green notebook anymore.

Q. Did you think it was odd that CPL AGUILAR would exchange $500.00 at one time?

A. At the time I did not but after hearing the rumors about the incident at the North ROM, I did think it was curious.

Q. How could CPL AGUILAR have gotten $500.00 cash at one time to buy Iraqi Dinar?

A. Combination of causality pay and check writing privileges in country. At the time you could take out $350.00 in causality pay and could write checks for the rest. I am not sure how much you can write checks for at that time.

Q. Do you know anything about the incident at the ROM?

A. No.

Q. Did CPL AGUILAR tell you where he got the $500.00?

A. No.

Q. Do you know what CPL AGUILAR did with the Iraqi Dinar you obtained for him?

A. No.

Q. Do you remember what location you exchanged the $500.00 at for the Iraqi Dinar?

A. The Pink Palace.

Q. Do you have anything else you would like to add to this statement?

A. No.////////////////////////////////////End Of Statement//

ORGANIZATION OR ADDRESS: C Co, 1-185th AR BN, Camp Cedar II, Iraq APO AE 09331

I, [redacted] want to make the following statement under oath and of my own free will: On the date in question I was at the South ROM. I was inside the M113, manning the radio and M250 Caliber. Also, at my position was CPL AGUILAR and SPC [redacted]. CPL AGUILAR and SPC [redacted] were on foot at and around the South Bunker. After the first couple of hours they moved forward of the bunker and began making random car stops. They would get to about 200 meters away from the bunker, I saw them make at least two stops on North bound vehicles. They would also cross the MSR and make stops on southbound vehicles coming from the civilian bypass. Due to the position of the 113 and the bunker, I was not able to watch them make any of the stops with the southbound traffic. Even though they were out of my sight, I was not worried, as they would continuously walk back and forth across the MSR. I am not sure how many stops they made on south bound traffic, as I could not see from my angle. While they were forward of the position LT [redacted] arrived on scene and asked where AGUILAR and [redacted] were. I told LT [redacted] they were forward of the position on the south side of the MSR. LT [redacted] went forward of the bunker and I lost site of him as well, until a few moments later, all of them came back to the bunker including an Iraqi male. They stayed at the bunker for a moment and were involved in a discussion. CPL AGUILAR came to my position at the 113 and asked for the radio handset. CPL AGUILAR then called into Hellfigther base notifying them that he had made a car stop. He also mentioned that the driver had a large amount of money. CPL AGUILAR also mentioned that this individual was either a lawyer or professor. CPL AGUILAR requested further directions as to this situation as it was unusual. I believe the reply was delayed, so CPL AGUILAR left the 113 and went back to the group at the bunker. CPL AGUILAR, SPC [redacted] and LT [redacted] were talking amongst each other as well as the Iraqi male. I did not hear any of the conversation as they were too far away. The Iraqi male was then released and shortly after LT [redacted] left also. This one car stop was the only one I knew that they made southbound, as I am sure they made others. Other than the original radio broadcast talking about the money, I never saw any and don't recall any further conversations about it. After that we just went on about the day as usual, I believe there were a few other stops that were made. I remained in the 113 for that entire shift.

A: Yes

Q: Why did CPL AGUILAR and SPC [redacted] (b)(6)5;(7)(C)-5 move forward of the bunker?

A: They went forward to make vehicle stops. I never asked them why the went as far as they did, but they moved to the edge of where our barricade started. It was right where the Iraqi bypass connected with the MSR. There were still barriers ~~were~~ WHERE IS the bypass and the MSR merged.

Q: Did you have a visual on CPL AGUILAR and SPC [redacted] (b)(6)5;(7)(C)-5 at all times?

A: No, I could see them fine when they were on the northbound lanes and had zero visibility when they were in the southbound lanes.

A: No, my vision was obscured by the bunker.

Q: When you mention the driver had a large sum of money, do you know what kind of currency he had in his possession?

A: No, only the ones with unusual circumstances or conditions.

A: He is the executive officer, [redacted]

Q: What time did LT [redacted] show up at the ROM?

A: Somewhere around the middle of shift, it would have been around 1100.

Q: Can you describe the Iraqi man?

A: He was about 5'7" with thick black hair and a mustache; I think he was wearing a suit.

Q: Why would CPL AGUILAR tell you he loved you?

Q: Why would CPL AGUILAR refer to CID as your buddies?

A: Because I am a Police Officer back home and he knows it.

Q: Do you have anything you would like to add to your statement?

A: No. ///END OF STATEMENT///

TC REVIEW:

- Without victim cooperation this investigation may not go very far. (Hopefully they can get in contact and either have them arrive here for interview or conduct a telephonic interview for more details)

- 1/185th ARM is working CSC KENWORTH, and the only units who would conduct a local area "hasty checkpoint" would be 1/197th FA and 1140th ENG BN. (I will help you contact these units to identify if they conducted any Checkpoints on that date. Contact number for 1/197th is 842-1135.

- Keep on CPT [redacted] for info, also need to let his office know that we need to conduct interviews of reports like this when they are reported in order to avoid this second hand information.

SAC REVIEW: CPT [redacted] came by and informed that the cell phone has been disconnected. We have now lost our victim. We need to get with the FA and ENG folks, who are the only ones that would have set up a checkpoint on this day and attempt to determine if this could have been them. If not, then it has to be the CSC Kenworth folks and we will have to coordinate the Commander doing a 100% shakedown and conduct canvass interviews of the entire unit if necessary. We can't give up on this on just because we can't track down the victims. This is a lesson learned, though and CPT [redacted] has stated in the future he will notify us while the

Sir,
I have been informed that you are the SJA handling all cases dealing with C Co, 1-185th AR BN, stationed at Camp Cedar. We currently have three cases involving soldiers from that company. CPT [redacted] informed me that he has briefed you on the investigations. How would be the best way for us to get the information to you for review and opine? I do have Adobe, so I can scan it in and send it to you via e-mail, if that will work for you. Please advise.

I'm gonna have to go back up there to canvass the tellers. My dumbass didnt do it cause I thought I was just checking about the ATM transactions. But that's all I got so far, I'll probably head up there tomorrow to take care of that last thing.
As far as [redacted] goes, the bank he provided seems to not exist. I coordinated with the Menfee PD and they couldn't find a bank named California Federal Credit Union. I'm not sure if they told you that. Please let me know if you need anything else. Thanks.

I don't have a picture of the stamp. The Iraqis no longer had any of the currency marked with the stamp, nor the stamp. It is a small black stamp, about 1cm X 1 cm, square with what resembles a little flame in the middle. The location may vary, not real sure. The Iraqi's could not even tell us if it was all marked in the same spot, as the money was marked when they received it. If you need anything else let me know.

The deposit of $600.00, 27 May 04, was a Wetern Union check (i thought it was $1600.00, my bad) signed by [redacted]. Do the soldiers there have access to a western union cause he might have done a deposit that way..... sending it through there and in turn telling his wife to deposit it straight to the bank. Well, this is getting pretty interesting. Just to give you a little run down on the way this case is going. We set up a poly for [redacted] and AGUILAR, when we called them in to take it, the Commander called and sought a defense lawyer for the two soldiers. Then the Commander put an order out in the Unit not to talk to CID unless he was present. (b)(6)-5-7(C)-5

I called in LT [redacted] today and advised him for obstructing justice and accessory after the fact. He invoked, but not before providing a spontaneous statement that he in fact called Ms. [redacted] and telling me about the commanders order, so he is in the title block, I have scheduled an interview with the commander for today at 1400, to advise him of obstruction of justice as well, then I will place him in the title block. That's where this stands right now. (b)(6)3-(7)(C)-3

If you need the original of the financial consent, let me know and I will fed ex it to you. When you speak to Ms [redacted] let her know it is her option if she talks to us, not LT [redacted] or anyone else. Please keep me up to date as much as possible, as I will have to send up my update to BN on Sunday, they have to send an update on Monday to Command, so on Saturday if you could provide all the information you have it would be appreciated. SA[redacted],

I realize you received the bank statements of CPL AGUILAR, however I need you to make contact with the bank where the money was deposited. As stated in the RFA, all the U.S. currency had a special little mark on it. It was a small stamp, black ink, approximately 1/4 inch by 1/4 inch, and resembled a campfire. I know this is going to be a pain, however, I need you to track down what ATM the money was deposited into, from there track what bank the money went to. We need to try to confirm if any of the money had the stamp on it. The reason for this is we have got a source who states he has information on CPL AGUILAR and this incident. I am scheduled to meet with him on Saturday. It would really help the case out if we could track down the currency. Like I said, I know it's a long shot, but it's something we need to follow up on. Who knows, one of the employees may have seen the stamp and remember it. I am trying to contact the victims for a re-interview, when I am successful in tracking them down I will attempt to get a picture of the stamp and forward it to you. If you need any other information, let me know.

One of the agents just talked with Mrs. [redacted] who stated that her husband called her and told her that his lawyer advised that she has nothing to do with the investigation, and she is refusing to answer any of our questions, over the phone or face to face. She thinks his lawyer is a Captain, but did not know the name. She is not consenting to an interview at this time.

Of course we will still do our best to get the bank records with the scanned copies of Financial Consents, but the way our luck is running, the banks will probably turn us away for lack of original signatures. I hope you can push a few obstruction of justice charges for some people in your AOR....

Well, this is getting pretty interesting. Just to give you a little run down on the way this case is going. We set up a poly for [redacted] and AGUILAR, when we called them in to take it, the Commander called and sought a defense lawyer for the two soldiers. Then the Commander put an order out in the Unit not to talk to CID unless he was present. (6)(6)-5;(7)(c)-5

I called in LT [redacted] today and advised him for obstructing justice and accessory after the fact. He invoked, but not before providing a spontaneous statement that he in fact called Ms. [redacted] and telling me about the commanders order, so he is in the title block, I have scheduled an interview with the commander for today at 1400, to advise him of obstruction of justice as well, then I will place him in the title block. That's where this stands right now. (6)(6)3-(7)(c)-3

If you need the original of the financial consent, let me know and I will fed ex it to you. When you speak to Ms [redacted] let her know it is her option if she talks to us, not LT [redacted] or anyone else. Please keep me up to date as much as possible, as I will have to send up my update to BN on Sunday, they have to send an update on Monday to Command, so on Saturday if you could provide all the information you have it would be appreciated. Chiefs,

(b)(6)-2; (7)(C)-2

I have a problem here with the TDS, CPT [redacted] UT National Guard. On our CAT 1 ROI (0058-04-CID939-82650) he is representing both subjects in this investigation, CPL AGUILAR and SPC [redacted]. CPT [redacted] has met with CPL AGUILAR and SPC [redacted] and is providing both legal guidance. CPT [redacted] has also contacted this office and related both CPL AGUILAR and SPC [redacted] have revoked any Consent they have given this office (previously both gave financial consent).

(b)(6)-5; (7)(C)-5

I have consulted with the SJA here at Tallil and they indicated this was a conflict of interest and that CPT [redacted] has never worked as TDS before. The SJA here indicated they cannot provide guidance to CPT [redacted] as they will prosecuting this investigation.

My question is how can CPT [redacted] represent either one of these soldiers now. Would that not constitute a Conflict of Interest?

(b)(6)-2; 7(C)-2

Can you forward this to our SJA up there so they contact the TDS at MNC-I and inform them of the situation down here?

Any guidance on this would be appreciated. Thanks.

I just finished a phone call from Mrs. [redacted] who was scheduled to be interviewed tomorrow regarding her son, [redacted] told her that she didn't need to talk to CID about her son, and that it was wrong of us to be calling her. LT [redacted] further told her that they treat each other like family there, and it was wrong that SPC [redacted] is upset by this whole thing, because he was interviewed for four hours and felt as though he needed a lawyer to help him. Mrs. [redacted] was very emptional and stated she would do whatever would help [redacted] but this LT had flat out told her not to talk to us, even though she doesn't know anything about what's going on. I told her that we needed to talk to her and obtain a written statement acknowledging that she doesn't know anything about it in order to help [redacted] but she said she was very uncomfortable talking to us. She asked that I make contact with [redacted] or his attorney, or LT [redacted] and then I could have them call her or call her myself to see about rescheduling an interview.

I'm assuming LT [redacted] is at your end, and I am completely upset that he called her and waived us off, putting doubt in her mind as to our intentions. As it stands now, Mrs. [redacted] will not sign a sworn statement, but the LT told her about the situation with the money, and she says she has not heard anything from her son about it. I can document my conversation with her in an AIR as a verbal interview (although she's not fully identified), if you want. Otherwise, it doesn't appear that she'll talk to us before getting the "go ahead" from either SPC [redacted], his attorney, or this [redacted] character. Please advise what you want our office to do.

I realize you received the bank statements of CPL AGUILAR, however I need you to make contact with the bank where the money was deposited. As stated in the RFA, all the U.S. currency had a special little mark on it. It was a small stamp, black ink, approximately 1/4 inch by 1/4 inch, and resembled a campfire. I know this is going to be a pain, however, I need you to track down what ATM the money was deposited into, from there track what bank the money went to. We need to try to confirm if any of the money had the stamp on it. The reason for this is we have got a source who states he has information on CPL AGUILAR and this incident. I am scheduled to meet with him on Saturday. It would really help the case out if we could track down the currency. Like I said, I know it's a long shot, but it's something we need to follow up on. Who knows, one of the employees may have seen the stamp and remember it. I am trying to contact the victims for a re-interview, when I am successful in tracking them down I will attempt to get a picture of the stamp and forward it to you. If you need any other information, let me know.

Sorry for not providing advice on actions to take in the last email. You need to contact Ms [redacted] (b)(6)-3; (b)(7)(c) 3 and inform her that LT [redacted] does not provide legal representation for her son, further advise her that what LT [redacted] has done is actually obstructing justice. Explain to her that if her son done nothing wrong she should have noting to hide and the information she provides may help us exonerate him. Try to get a full ID of her as well. Try the same with Mrs [redacted] (b)(6)-2; (b)(7)(c) 2. Explain to them the process of titling, if we can prove they did not commit this offense, they will not have a record that will follow them for the next 40 years, however as of right now they are in the title block and will stay there unless we can exonerate them at which time we will unfound the offense. If she still does not want to cooperate, that's fine, try to obtain the bank account statements and as long as everything else is documented in your AIR we should be good to go.

When you speak to Ms. [redacted], let her know it is her option if she talks to us, not LT [redacted] or anyone else. Please keep me up to date as much as possible, as I will have to send up my update to BN on Sunday, they have to send an update on Monday to Command, so on Saturday if you could provide all the information you have it would be appreciated.

One of the agents just talked with Mrs. [redacted] who stated that her husband called her and told her that his lawyer advised that she has nothing to do with the investigation, and she is refusing to answer any of our questions, over the phone or face to face. She thinks his lawyer is a Captain, but did not know the name. She is not consenting to an interview at this time.

Of course we will still do our best to get the bank records with the scanned copies of Financial Consents, but the way our luck is running, the banks will probably turn us away for lack of original signatures. I hope you can push a few obstruction of justice charges for some people in your AOR....

OK, here's what we have as of 1600 1 Jul 04.

CPL AGUILAR's bank faxed us copies of his statements. We reviewed them, and there are no significant deposits, but there are a few made since 26 May 04 that would total over $1200. They were all deposited at an ATM location in Bakersfield, CA.

(b)(6)-5, (7)(C)-5
SPC [redacted] provided a Consent Form for California Federal Credit Union. We are not able to locate such an organization. His mother is no longer willing to talk to us. I realize he has lawyered up, so probably will not clarify for you, either. Our next step is to call around to credit unions until we find one that will recognize his bank account number. I can also try the DFAS approach (maybe they have a great big database with account info?), but realize that tomorrow is a training holiday for the post and there will not be any support folks around. As soon as I find something out, I'll email. I can't seem to log on remotely to this server, so could you please cc any messages to [redacted]@us.army.mil, just in case? Thanks!

If you need anything else, just let me know. I am ready to get this dang case closed. If you know what I mean? Being a CAT 1 case. It should be interesting to see how it all turns out. The Iraqis had a believable story. The also went through a lot of trouble to file this complaint. They live in Najaf, so, they got stopped here at CSC Kenworth, after the incident they drove to the CPA in Nassariya, from there went to Camp Cedar, and then to Tallil. They have already made one trip up from Najaf, to make another statement. So, we'll see how it all works out. I pretty sure I can get interpreter support from 300th ASG here at Tallil if needed. They are only CAT 1 interpreters. Don't know if that matters. Well, take care and be safe.

Hi [redacted]

How's it going? This looks like an interesting case. [redacted] will be back in theater tomorrow; however, he has a backlog of tests in Egypt, Baghdad, and Kuwait. I have a backlog in Mosul and Tikrit and one left here in Balad. In other words it is going to be a while before we can get there. Tallil is actually [redacted]s area, but I suspect I will get there before he will with all the other stuff he has going. I will go ahead and do the polygraph request, but I need some more information. Please send the statements of LT [redacted]R and SGT [redacted] because CRC is going to want to know what they have to say about this. I need the date a places of birth on all four individuals. Obviously, [redacted] is your best suspect; however, those Iraqis might be lying. This will be a good number of tests. Do you have interpreter support for the Iraqis if it comes down to eventually polygraphing them?

(6)(5); 7(C)5

If [redacted]R and [redacted] did not do a statement, I at least need to put what they said about the incident into the polygraph request. Hopefully, it won't take me or [redacted] too long to get there, but if you have been watching the news, you can see all hell is breaking out in my areas of Iraq to include Mosul, where I have to go next. If I manage to get myself killed then there won't be any test for a while, so please be patient with me getting there.

Thanks, [redacted]

Sir,

I am attempting to identify who was working the south checkpoint at the ROM site, on 11 May 04. The checkpoint I am speaking of is the one that is all the way out on the highway itself, where we split civilian traffic from Convoys. I also need to ask that you do not discuss our inquiry with the soldiers. Your assistance is greatly appreciated.

Agent [redacted]

We did not begin keeping a DA-6 until the first part of this month. However, 1st Platoon was assigned to the ROM site during this time period. Each squad is assigned a specific shift, so I'll need to know a time-frame in which you are interested in order to determine who was working when. With the exception of a few individuals, the majority of the platoon was on duty at the ROM on 11 MAY at some point. If you can give me a time-frame during that day, I can let you know which squad was on duty. I essentially have them working three, eight-hour shifts each day. That particular platoon has been rotated off the ROM and is now working the ECP at Camp Cedar. They were replaced by 3rd Platoon.

Also, I would very much appreciate it if you could give me an idea as to what you are looking into. I understand if you must keep it confidential, I'm just very curious as I'm sure you can understand.

Sincerely,

CPT [redacted]
