I, [REDACTED], WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

On 04 October 2003, I was the team leader of one of the clearing teams conducting raids for a Squadron-sized series of raids for 1st Squadron 3rd ACR. During the day I encountered a house that had an anti-tank launcher empty tube, several heavy weapons mounts in the yard, and 9mm live ammunition hidden under clothes in the bedroom. Speaking with the men of the house and the women of the house, it was apparent that the women and the men had different stories explaining the weapons and the whereabouts of our target, the father of the house who was supposedly in Baghdad at the time. Also, we learned from the women that they were of Syrian descent. After a recommendation from my interpreter, SPC [REDACTED], I decided to detain the (of age) men of the house based on the evidence above. During the day, the only person I remember that was hurt was an old man, at a different location, who had heart problems. We detained him but then released him due to pleas from his family. After the male relatives of our target were detained, they were taken to a temporary holding cell at Tiger FOB (Al Qa'im, Iraq). There they were either questioned and released or sent to another holding site at Al Asad airfield. I have no knowledge as to what happened to the men after I sent them to the Tiger FOB holding cell.

Q: SA [REDACTED] - b7c1

A: 1LT [REDACTED]

Q: Did you type the narrative portion of this statement?

A: Yes.

Q: What is an FOB?

A: Forwarding Operating Base.

Q: Who ran the detainee holding area at Tiger FOB?

A: Ultimately it was the Squadron, so I guess the Squadron commander.

Q: Who was assigned to guard the detainees at Tiger FOB?

A: It was troops that were rotated from the companies, or in this case Troops, within the Squadron.

Q: Have you ever heard of Al-Baghdadi?

A: Yes.

Q: Were you ever at Al-Baghdadi?

A: No, I wasn't.

Q: Do you know what unit was running Al-Baghdadi?

A: No. Probably would have been somebody in the third ACR, it might have been the Al-Asad airfield and the guy may have been saying Al-Baghdadi because it was near by. Al-Asad was where the Regimental headquarters was moved to sometime in October. There may have been other units still there.

Q: Did you ever participate in the transfer of detainees from the Tiger FOB to Al-Baghdadi?

A: No, I didn't.

Q: Did you ever see a detainee abused in any manner?

A: No.

Q: Do you remember MR. [REDACTED] b7c4

A: No.

Q: Do you have anything you wish to add to this statement?

A: No.///End of Statement///

WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

I was the S2 for 1/3 ACR in Al Qaim Iraq from 12 May 03 to Approximately 8 March 04. While in Al Qaim I was overall in charge of Detainee Operations. From the end of May 03 until Sept 03 SSG [redacted] and SPC [redacted] were the Counter Intelligence (CI) agents assigned to 1/3 ACR. They conducted initial interviews of detainees consisting of basic information as well as questions pertaining to the reason the detainee was detained. I saw no abuse to detainees performed by either of the CI agents. They were both trained in reading body language and conducting interviews of US persons. This training was used in the interviews of the detainees. From Sept 03 to March 04 SSG [redacted] SGT [redacted] SPC [redacted] and SPC [redacted] were the assigned CI agents for 1/3 ACR. During this time the same techniques were used as under SSG [redacted] along with limited sleep modification (meaning the detainees were allowed the required amount of sleep, but only that amount per day, I think it was 4 or 5 hours per day). Limited stress positions were used (detainees sat upright on there knees during the interview, not longer than 5 min. at a time). During this time I witnessed no abuses conducted by any CI agents assigned to 1/3 ACR. Some PT was directed by the CI agents. Walking in circles, push ups, and standing with their arms perpendicular to their bodies. The PT was never done for more than 15 min at a time except for walking in circles and that lasted up to 30 min. All detainees were feed and given water as required as well as shelter and latrine facilities. Medical checks were done daily to ensure all detainees were in good health. The MP unit assigned to 1/3 ACR was the 94th MP unit from the Massachusetts Army reserves. They were not involved with detainee activities outside of initial detention during daily operations.

Q: Did you CPT [redacted] type the above statement?

A: Yes.

Q: Where are the persons you listed as CI agents currently located?

A: SSG [redacted] is at Recruiting School, SPC [redacted] is in Fallujah as a civilian, SPC [redacted] has ETS'd and I do not know where he lives, SSG [redacted] and SGT [redacted] is in the 66 MI, Fort Carson, CO, 80913 (FCC), and PFC [redacted] who was there from the May 03 to Jun 03, and is at 66 MI, FCC.

Q: What was the 94th MP unit's mission in regards to detainees?

A: As a detaining unit. They had a tactical mission there and did not guard detainees or interrogate them. We used them on patrol missions and room clearing during raids. Later on they went to train Iraqi Police.

Q: Do you know the full names of the CI agents?

A: No.

Q: How are the CI Agents trained on how to conduct interviews? [redacted]

CID Regulation 195-1

PAGE 1 OF 1 PAGES

**DETAILS**

On 29 Jan 05, SA [REDACTED] this office, discovered peculiarities during a review of two separate ROIs initiated at the direction of HQ, USACIDC (under RFI #s 0366-04-CID001 & 0334-04-CID001). The RFI resulted in the initiation of two distinct CID ROIs into allegations of detainee abuse (ROI #s 0211-04-CID259-80246, initiated on 14 Jul 04, & 0243-04-CID259- 80277, initiated on 2 Aug 04).

In both cases the allegation arose from information gleaned from an IIR written by Mr. [REDACTED] (previously U.S. Army Sergeant assigned to Tiger Team) who was working with a [REDACTED] a Titan Services interpreter. Both case files contain the IIR from whence the data was extracted, each report bears data reporting both interviews were completed between 1300-1500, 19 Jan 04. The detainee ISN number are roughly 300 numbers apart (115579 and 115819), indicating some time elapsed between captures. The reports read in areas exactly the same, to include location and circumstances of capture, when the two detainees were captured months apart in different provinces of Iraq.

Since it is impossible for both interrogator [REDACTED] and interpreter [REDACTED] to have conducted the interviews simultaneously, the most logical interpretation of this data is that [REDACTED] overwrote the language in an earlier IIR to include references to abuse. The veracity of the reports is in such question as to make the basis for the initiation of any allegation into assault suspect. Therefore, without direct information from the detainee referenced, it impossible to tell which man made the claim, if in fact either did. It is equally plausible that [REDACTED] and [REDACTED] overwrote reports as a matter of practice and therefore it is impossible to verify the veracity of the information contained therein. To illustrate the problem, a copy of this AIR and each man's IIR was placed in both case reports.///LAST ENTRY///

[REDACTED], WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

On 19 January 2004, I interrogated several individuals, amongst them #'s [REDACTED] and [REDACTED]. These individuals had been captured during a raid on a suspected Al-Qaeda compound on 14 July 2003 and were being interrogated at this point in order to determine their disposition. Both of these detainees made allegations of abuse while in U.S. custody but were unable to provide further details on the location of "kilometer 22", the facility at which both claimed to have been mistreated. Considering the nature of the Detainee Assessment Branch (OAB) mission, it required a formulaic approach to questioning and report writing in order to maintain the efficacy of the process. The OAB mission was to provide Quality Control (QC) at the tail end of the JIOC interrogation process in order to provide the CSTF-7 Commander (BS Fast) with a concise synopsis of the detainee's time in captivity. This included circumstances of capture information, activity while in custody, intelligence provided while in custody, full exploitation of intelligence value, and refutation or proving of, the reason for capture. The final assessments would be: release to local population, release to Iraqi Police, release to own government, release to THF, or further detainment by Coalition Forces. Since this meant we had to talk to every individual captured with a detainee on MI Hold, this made for long days especially since there were [REDACTED]

many detainees on MZ Hold who had to be reviewed. Due to this operational need, our questioning plans were formulaic and our reports by necessity formulaic as well, even though the information was different. In this particular case, the information is the same only where the experiences at the time of capture, or while in U.S. custody, parallel each other. As I was there as a SGT in the US Army, at the time this was the only form available for the reporting of such information.

Q. Did you write the above statement?  
A. Yes

Q. What is JIDC?  
A. Joint Interrogation Detention Center (not sure of the "D")

Q. What is CSTF-7?  
A. Coalition Joint Task Force - 7 (not sure of the "C")

Q. When the detainees made the allegations of abuse, did they give you any type of description or identify the individuals?

A. Don't recall, but sometimes asked and sometimes didn't. Not sure I asked these individuals for this information.

Q. Did you observe any injuries on [REDACTED]?

A. No, by this time the individual had been in custody for almost half a year.

Q. After reviewing the reports, are they accurate and can you explain the discrepancies that show for the source ID number and the place of capture and the time the interrogations took place?

"STATEMENT OF [REDACTED], TAKEN AT USIA MP Det  
Camp Victory, IZ, DATED 4 MAR 06, CONTINUED.

A. Yes, I accurately reported this information as it was given to me and see no reason, after rereading the reports, to make any changes to them. The reason for the discrepancies with the [REDACTED] ID numbers is that this numbering convention was created prior to their arrival at Abu Ghurayb from other camps. If they were captured at the same time but lost their numbers en-route, they had to be given a different number. The reason for the discrepancy for the place of capture is that when the Coalition Provisional Authority forms were filled out, the main district might be named, or the sub-district might be named, but the place of capture was the same. Also, the Detainee's version might give the smaller district as well. The reason for the time for interrogation being during the same time period, is that due to the numbers of interrogations being done each day, it was not always possible to assign an individual time slot to an interrogation; instead it was a multitude of interrogations conducted during a long time frame (e.g. six interrogations, one after another over a six hour period). These two particular cases were similar in content because they are brothers and were captured in the same raid for the same reason.

Q. Do you have anything further to add to this statement?

A. No. // End of Statement //

The security situation in Baghdad at this time (summer 2005) is not such that CID Agents could travel into the city without severe risk of life and limb. This is due in large part to the prevalence of Vehicle Born Improvised Explosive Devices (VBIED) and Improvised Explosive Devices (IED), kidnappings, assassinations and other hazards of combat in the area. As CID lacks the resources to support a mission organically, it would be required to obtain outside support from another unit. Our risk analysis demonstrates it does not merit taking that chance, based on the slim possibility that [REDACTED] could be found with the information given. Therefore, CID agents will NOT attempt to travel off the secured installations in the vain hopes of finding [REDACTED] ///LAST ENTRY///

BASIS FOR INVESTIGATION: On 17 Aug 05, this office received a Category 1 (CAT 1) Request for Assistance (RFA) from 22nd Military Police (MP) Detachment (CID)(FWD), 3rd MP Group, Detainee Abuse Task Force, Baghdad, Iraq APO AE 09342 to interview Mr. [redacted] (formerly SPC [redacted] Army Reserve, 66th Military Intelligence (MI) Company (Co), 3d Armored Cavalry Regiment (ACR), regarding his allegations of Assault and Cruelty / Maltreatment of a Detainee.

About 0952, 25 Aug 05, SA [redacted] advised Mr. [redacted] of his legal rights which he waived and stated he was stationed in Germany from May 00 - May 03. Mr. [redacted] then stated he was deployed to Iraq, assigned to 66th MI Co, 3d ACR, from 10 Jul 03-Jan 04. Mr. [redacted] stated he arrived in Baghdad, Iraq on 10 Jul 03, and traveled to Al Asad Air Force Base (AFB) on 11 Jul 03, where he received MOS related training for 2 1/2 to 3 weeks. Mr. [redacted] then stated he traveled to Fallujah, Iraq where he was stationed for approximately one month, went to Habania, Iraq for about one week, then was subsequently stationed at Al Quaim, Iraq where he remained from mid Sep 03 until he redeployed in late Mar 04. Mr. [redacted] stated there were numerous local national interpreters within his unit, and he could not recall any specific names, just nicknames of the interpreters. Mr. [redacted] provided three male local national interpreters nicknames as being [redacted] (NFI), [redacted] (NFI) and [redacted] (NFI). Mr. [redacted] stated it was his units policy to always have at least three individuals present during an interrogation of a detainee; the interrogator, the interpreter and a guard. Mr. [redacted] stated he always had the proper personnel present when he conducted an interrogation of a detainee. Mr. [redacted] stated when a local national is detained he/she is processed through two temporary holding facilities, either Al Asad AFB, Iraq or Al Quaim, Iraq, where they are photographed, identified, searched for weapons and injuries, and finally interrogated. Mr. [redacted] stated if a local national is detained, but not deemed as a threat, they are released to the Iraq Police. Mr. [redacted] then stated, if a local national is deemed as having pertinent information or are considered a threat they are then forwarded to the permanent holding facility at Abu Ghrab, Iraq. Mr. [redacted] stated he was not located at Al Quaim, Iraq during the period when Mr. [redacted] stated the assault and cruelty took place. Mr. [redacted] concluded by stating he has no knowledge regarding interrogating or seeing Mr. [redacted] nor has he knowledge of the National Detainee Reporting System Number [redacted] or information pertaining to or involvement regarding detainee abuse or maltreatment. (See Waiver Certificate for details)

Sir, here are some of the hot buttons included within CPT [REDACTED] report provided below my notes. I think we could see some additional outcomes as a result of this report, such as:

1. [REDACTED] (b)(b)(2)
2. [REDACTED] (b)(b)(2)
3. [REDACTED] (b)(b)(2)
4. [REDACTED] (b)(b)(2)
5. [REDACTED] (b)(b)(2)
6. [REDACTED] (b)(b)(2)

**DIRECT LIFTS FROM CPT [REDACTED]'s REPORT:**

While extracting this directly from MG Ryder's report, MG Taguba left one sentence out of his report that was the middle of the paragraph and states, 'Specifically, the 800th MP (I/R) Bde and its subordinate units are not well equipped to defend its I/R facilities (e.g., few crew -served weapons) or escort prisoners in a high threat environment (e.g., no M1114 HMMWVs, and few M1025/6 HMMWVs and organic cargo vehicles.' *With force protection being a critical issue and highly publicized concern at Abu Ghraib, this sentence should not have been excluded from his report. This omission is perceived to be deceptive in fact finding evidence.*

"Page 20, paragraph 13 references ' Another obvious example of the Brigade Leadership not communicating with its soldiers or ensuring their tactical proficiency concerns the incident of detainee abuse occurring at Camp Bucca.' *This statement is misleading, as the 800th MP BDE contacted Criminal Investigative Division to investigate the incident. In contrast, the Bde should be commended for taking immediate action not criticized.*

"I would suspect that training would be force fed rather than having to be requested. If MG Ryder, the top military police officer in the Army felt a dire need for additional Military Police or training, he should have provided the resources."

"Additionally, a non commissioned officer on MG Ryder's team conducted corrections training at Abu Ghraib on 28 October 03. In fact, this same soldier was on MG Taguba's investigative team..." Sir, we believe that she is referring to SFC [REDACTED] (b)(b)(2)

CJTF-7 requested MG Ryder's Team and the Inspector General to conduct a thorough review of detainee operations. The 800th MP Bde made corrections to the deficiencies that were under its control and responded in writing to both reports. Many of the deficiencies identified were directed to the CPA Ministry of Justice, Ministry of Health, CJTF-7 Staff Judge Advocate and other organizations...(Response to MG Ryder's report not included for classification reasons)."

Immediately upon mortars killing 6 detainees, BG Karpinski persisted and fiercely requested assistance from CJTF-7. She spoke to the CJTF-7 Deputy Commander (MG Wojdakowski) and according to a conversation with her; MG Wojdakowski stated 'Janis, they are only detainees.'"

Sir, here is the feedback on today's Tiger Team and upcoming events/taskers:

1. Based on BG Coggin's brief, LTG Alexander would like to review investigative timelines with CID personnel tomorrow. Apparently he read over the MG Taguba report this weekend and thinks there may be a pattern between critical events and abuses (e.g., riot/abuse; escape/abuse; MI soldier killed by mortar/abuse; etc). He would like to convene a review team to develop a Logic-Group of Abuse-Picture dates with potential triggering events to confirm pattern.
2. Service Principals will meet w/ SECDEF 1100 today for meeting to focus on the following discussions:
  - Deaths, homicides, and investigations
  - ICRC issues (probably focusing on camp visits, scheduling, etc)
  - Migration of interrogation techniques and interrogators (GTMO-to-Baghran-to-Iraq)
  - Replacement of LTG Sanchez with General Casey
  - Transition of prisoners out of Abu Ghraib
  - Update on BG Karpinski
3. ICRC is meeting Thursday with OSD -- NCRC Chief may/may not be invited.
4. Working the last CID HASC QRF approved by you last night; currently being staffed to required Staffs prior to submission. Sir, will run any recommended changes from OTJAG/Staffs by you before final submission (if any). In the meantime, I am sending hardcopy cover doc for your signature with SGM [redacted] who is coming down for Calendar scrub.
5. Also working the Schlesinger Specified/Implied/Essential for your review prior to the 1500 turn-in.
6. Any additional guidance for integration?

Chief,

I have encountered two areas that no one can seem to figure out who they belong too.

b22

"Kilometer 22"

I can not tell if they are FOBS or what??

The best information that I have is that they are under US control.

Your help is greatly appreciated,

I'm coordinating with you concerning the mention of an area called "Kilometer 22" in case file 0211-04-CID259-80246. It is thought that it might be "Rifles Base" which is what I wanted to confirm.

Received your RFA. Our number is 0150-04-CID789.

Preliminary Info

[redacted] is at BCCF along with his file  
[redacted] and [redacted] have been released, but there file is here.

b7c4

All documentation you requested for [redacted] was forwarded to your office in MOT 0096-04 on or about 26 Jul 04 (give or take a week)

[redacted] and [redacted] have been searched for in the Biometrics Automated Toolset (BATS), Magistrates Cell Database, and In/Out of Camp Roster with no success. Each number and different versions of the names have been searched for with negative results. The names are too common to narrow it down. Any other information, such as date of capture, release date, capture tag, etc. might help.

We are about 6 Cat 1 RFAs in the hole and 4 Cat 1 ROIs, not to mention 0003-04 (3 man office and I go on leave on Sunday). It might be a few days, but this is a fairly easy RFA.

I just pulled the case and looked at it. SSG [redacted] was not even at the camp during the timeframe that Mr. [redacted] was allegedly assaulted. Once we determined that and prior to closing this RFA coordination was made with CW3 (SA) [redacted] Task Force Commander, who determined he did not need either a sworn statement or for us to offer a polygraph to SSG [redacted]

On 14 Oct 04, you obtained a verbal statement from SSG [redacted] Your AIR doesn't state why there wasn't a written sworn statement obtained. Please send me an email regarding this information so I can determine whether I just need to get an AIR from you or send another RFA. Due to the nature of this investigation (detainee abuse) everything must be documented. I apologize for having to go "back in time" on this, but I greatly appreciate your assistance.

Received your RFA. Our number is 0150-04-CID789.

Preliminary info

*b7c3* [redacted] is at BCCF along with his file  
[redacted] and [redacted] have been released, but there file is here.  
All documentation you requested for [redacted] was forwarded to your office in MOT  
[redacted] on or about 26 Jul 04 (give or take a week)

[redacted] and [redacted] have been searched for in the Biometrics Automated Toolset (BATS), Magistrates Cell Database, and In/Out of Camp Roster with no success. Each number and different versions of the names have been searched for with negative results. The names are too common to narrow it down. Any other information, such as date of capture, release date, capture tag, etc. might help.

We are about 6 Cat 1 RFAs in the hole and 4 Cat 1 ROIs, not to mention 0003-04 (3 man office and I go on leave on Sunday). It might be a few days, but this is a fairly easy RFA.

Chief,

I have encountered two areas that no one can seem to figure out who they belong too.

[redacted] *Handwritten:* b2-2

"Kilometer 22"

I can not tell if they are FOBS or what??

The best information that I have is that they are under US control.

Your help is greatly appreciated,

I'm coordinating with you concerning the mention of an area called "Kilometer 22" in case file 0211-04-CID259-80246. It is thought that it might be "Rifles Base" which is what I wanted to confirm.

Thanks,
