BASIS FOR INVESTIGATION: On 23 Jun 04, the 504th Military Intelligence (MI) Brigade (BDE), Joint Interrogation and Debriefing Center (JIDC), Baghdad Central Confinement Facility (BCCF), Abu Ghruyeb, Iraq (AGI), reported that Detainee [REDACTED] National Detainee Reporting System (NDRS) [REDACTED] NFI, alleged he was abused while detained by Coalition Forces (CF) while detained at an unknown location prior to his arrival at BCCF, AGI. b6-4, b7c-4

About 1400, 23 Jun 04, this office received a statement written by SPC [REDACTED] A Co. 202nd MI Battalion (BN), JIDC, BCCF, AGI, detailing [REDACTED] abuse allegations. (See Statement) b6-4, b7c-4

About 1850, 20 Jun 04, SA [REDACTED] interviewed SPC [REDACTED] who stated this was [REDACTED] second interview with her and his third total. She stated that a review of the previous interrogation notes, [REDACTED] never alleged abuse of any kind. She stated that he related to her that US Forces, while detained at a US controlled facility in Fallujah, he was beaten and tortured for four days. He also stated that something sexual happened to him, but he was would not talk about it in front of a female. SPC [REDACTED] did not further exploit [REDACTED] claims of abuse. b6-4, b7c-4

About 1400, 26 Jun 04, SA [REDACTED] with the assistance of Linguist [REDACTED] interviewed [REDACTED], who stated he was captured on 9 May 04 in Fallujah. He was hooded transported on a long drive to an unknown facility and held for four to seven days. He was placed in big room with two wall-mounted bunk beds. During his four days he encountered a tall white male in US Uniform (#1); a tall, bearded, white male, with blond hair, wearing a brown T-shirt, blue jeans, and a rolled bandana on his head (#2); a short white male with long hair and wearing a white t-shirt (#3); a tall, thin, white male (#4); and a Jordanian or Serian linguist called [REDACTED]. He stated that on the first night, [REDACTED] removed his hood and began asking him information about [REDACTED]. Each time [REDACTED] did not answer, [REDACTED] would slap him. [REDACTED] referred to the #1, #2, and #3, as the "white devils". [REDACTED] would threaten to let the "white devils" have [REDACTED] if he didn't answer the question. On the first night, #2 punched [REDACTED] in the stomach five or six times, stripped him, and put him in a chokehold by wrapping his arms around his neck. #3 drilled a screw into the wall and tied [REDACTED] to it until the next night. The next night [REDACTED] hit [REDACTED] on the head, shoulder and arm with an expandable metal stick (ASP). #2 jumped on [REDACTED] from the top bunk. #2 made [REDACTED] lean against the wall in a stress position, much like [REDACTED] sitting in a chair, while #1 held the ASP below [REDACTED]. [REDACTED] ordered [REDACTED] to sit on the ASP. [REDACTED] said the ASP entered his rectum one to two inches. This happened twice. #2 then began to punch [REDACTED] in the head until he lost consciousness. On the third night, #1, #2 and #4 made [REDACTED] do push-ups. While doing the push-ups, #1 and #2, kicked [REDACTED] in the back and stomach. [REDACTED] was then hooded and left alone for about one hour. An unknown person walked in and hit him in the penis with an unknown object. On the fourth night, #1, #2, #4, and [REDACTED] stripped [REDACTED] again and began to punch him on his body. #2 then put [REDACTED] head between his legs, while [REDACTED] threatened to let the white devils "fuck" him. Nothing happened and the men left, except for [REDACTED] gave him the answers to the questions that the b6-3, b7c-3

[redacted] b6-4, b7c-4

I, [redacted] want to make the following statement under oath:

I was the senior interrogator on the day shift at the Tactical Holding Facility (THF) at Baghdad International Airport. I was there for 114 days. I got there on St Patrick's Day 2004 and I think I flew out on 9 Jul. I conducted approximately 400 interrogations during that time period. SSG [redacted] came in after I arrived, all the GTMO guys did. I do not know of any incidents of abuse pertaining to detainees.

b6-3, b7c-3

Q: I am showing you a picture of detainee [redacted] b6-4, b7c-4 ISN [redacted] b6-4, b7c-4
Do you recognize him?

A: No.

Q: Do you recognize his name?

A: Definitely not. I do recognize the name [redacted] b6-4, b7c-4 means "Jordanian".

b6-3, b7c-3

Q: Do you know if SSG [redacted] ever interrogated [redacted] b6-4, b7c-4

A: It is possible, but I have no way of knowing for sure.

Q: You have been identified as being one of the interrogators of [redacted] b6-4, b7c-4 Is it possible you interrogated him and not remember him?

A: That is possible.

Q: Is it possible you had to restrain him during an interrogation?

A: No.

Q: Why not?

A: There was no time that we needed to restrain anybody.

Q: Did you ever have any detainees who posed a threat to you where it might have been necessary to use force?

A: No.

Q: Were all the detainees you interrogated cooperative?

A: There were no outright defiant, "I am not going to answer you" types. There was no blatant refusal to answer questions or cooperate.

b6-3, b7c-3

Q: Did SSG [redacted] ever have to use force in dealing with a detainee?

A: No. Of course, I didn't see every interview he did, but I would say "no". My people didn't do that, they were taught ways to get stuff without breaking the rules.

Q: Did you ever witness a guard abuse a detainee?

INITIALS OF PERSON MAKING STATEMENT [redacted] b6-4, b7c-4

Statement of: SFC [redacted] b6-4, b7c-4

Taken at: Fort Bragg, NC

Dated: 19 Nov 04

Continued

A: No.

Q: Did you ever witness or know of a guard having to restrain or use force on a detainee?

A: No.

Q: Why do you think your name came up in reference to the allegations being made by Mr. [redacted] b6-4, b7c-4

A: My initials were probably on an interrogation report. One of my standing complaints about report writing, is that you do a report, you would submit the report—of course we kept a copy for ourselves—then, during a subsequent interrogation, the new report would be generated using the previous report as a template, where the interrogators were expected update everything that had changed. This typically included the date/time group, the interrogator, the interpreter, etc, and occasionally one of those lines would get overlooked.

Q: So it is entirely possible that your initials, or that of SSG [redacted] b6-4, b7c-4 are on reports that you did not author?

A: Right.

Q: Did you ever have to get a prisoner from a holding cell?

A: Early on, but that got changed, that the guards did all the pick ups and deliveries. That was for our protection, there had to be 2 guards for every one detainee.

Q: Who was with you in the interrogation room when you were interrogating detainees?

A: Classically, just the interpreter.

Q: Which interpreter was assigned to work with you?

A: It wasn't by person, we had a pool of interpreters. We usually took the best one available.

Q: Did you ever conduct interrogations with another interrogator and an interpreter?

A: Yes.

Q: Did that happen in the case of Mr. [redacted] b6-4, b7c-4

A: I don't know.

Q: Why don't you know?

A: I don't remember talking to him.

Q: Is it possible you did talk to him?

A: Yes.

Q: But you are not sure?

A: Right. And usually if there was more than one of us, it was when we had a new guy and I was observing him. I might jump in to conduct follow up questions. This was part of training.

Q: Did the guards stay in the interrogation room with you?

A: Rarely, usually the guards were spread too thin. They were usually moving somebody, doing bathroom rotations. If there was a case when we thought the detainee might be a danger, the guard NCOIC might provide us with somebody, but that was usually a rare occurrence.

Q: You mentioned earlier there were cameras in the interrogation room. Were the cameras used for all the interrogations?

A: As far as I know, they were on the whole time, we never knew who was watching us.

Q: Who controlled the cameras?

A: They were fixed. We had a guy from another unit who maintained them.

Q: Did he monitor them also?

A: No, he just set them up.

Q: Who monitored the cameras?

INITIALS OF PERSON MAKING STATEMENT [redacted] b6-4, b7c-4

b6-4, b7c-4

Statement of: SFC [REDACTED]

Taken at: Fort Bragg, NC

A: At any given time, different people. The OIC, the JAG, me, the analysts. It was usually oversight for us, or an analyst wanting to develop lines of questioning.

Q: Were tapes maintained of the interrogations?

A: I don't know.

Q: Somebody is making an allegation against you about abuse. How do you respond to that?

A: It is very unlikely that SSG [REDACTED] or myself did four or five interrogations of the same person.

b6-3, b7c-3

Q: Why is that?

A: You have 2 shifts, 12 hours apiece, the odds of one person not being spoken to by the night shift for three days in a row is pretty unlikely. The detainees usually would say something to me if there was an issue with a guard.

Q: What kind of issues?

A: One thought he was going to be raped. He described with his body that he thought he was going to be raped, but he was just being searched. I said what happened, and he showed me how he put his hands on the wall, spread his legs, and how they ran their hands up and down his body. I explained that that was how they conducted searches, that none of the guards were homosexuals, and the detainee was good with that.

Q: Did other detainees approach you with complaints?

A: Couple of them said they didn't have a chance to go the bathroom, I would ask them how long it had been, asked them if they knew how to say they needed to go to the bathroom—the guards just used WC—it was odd that they would say they did not know how to say WC, because they communicated to each other through the walls whenever they could. They would even recruit through the walls.

Q: Why do you think the detainees approached you like that?

A: It's something about me, people talk to me.

Q: Do you think the detainees were ever intimidated by you or SSG [REDACTED] b6-3, b7c-3

b6-3, b7c-3

A: Maybe SSG [REDACTED] once in a while, he's a Texas State Trooper, but everybody understood that with our restraints we had put on us, they knew we were going to get a lot more mileage by being nice and professional.

Q: Why should we believe you did not abuse any detainees?

A: I've been an interrogator for 14 years and I understand that besides being illegal and immoral, it produces corrupted information, which gets people killed. And, as a rule, we are the nice guys.

Q: What do you think should be done to people who abuse detainees as alleged in this investigation?

A: They should be prosecuted to the fullest extent of the law. If somebody did something wrong, they should get the appropriate punishment for it.

Q: Do you know if there was anybody else involved in the interrogation of Mr. [REDACTED] b6-4, b7c-4

A: I am not even sure if I was.

Q: Did you know any of the guards who might have handled Mr. [REDACTED] b6-4, b7c-4

b6-3, b7c-3
b6-3, b7c-3

A: Anyone could have at any certain time. One of the guards I knew personally I remember only as [REDACTED] a Hispanic male. That is his first name. He was an E-5. The NCOIC was an E-7, tall, black male, everybody called him [REDACTED]. The OIC was some 2LT named [REDACTED] white b6-3, b7c-3 male. AIC [REDACTED] was another one of the guards, white female; I only b6-3, b7c-3 remember her because I have her email address. She was going to go to Spokane to be an Air Force SERE instructor.

Q: Is there anything else you want to add to this statement?

A: I expect to see a lot more of these accusations. I believe that is because the detainees know the manpower it takes and the possible inconveniences it causes. Once they get to Abu Ghraib, and it is an open population, the detainees talk to each other, what to say, and how to answer. We knew that because we would request a special detainee to come back to talk to him, and his story would change. That happened a lot.///END OF STATEMENT///

WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

I arrived in Iraq on 12 March 04 and reported on 2 May 04. I served in a U.S. Task Force where I advised the commander, I2 and I2X on interrogation operations. I found the conduct of interrogations in this organization to be well over-sighted professional and within the guidelines of interrogating FMIs, regulations and laws. Interrogation oversight consisted of receiving the approval of the IAs, psychiatrist, MD and commander. Request to conduct these interrogation techniques had to include the duration and intensity of the technique and the information desired to be obtained from the interrogation. My immediate supervisor for most of the time I was there was CCH (USAR) [REDACTED], now retired. He served as the task force I2X. The Task Force was located in a small camp on Baghdad International Airport (RIAP). While I was there, the Task Force interrogations operations underwent an Army IG inspection which they successfully passed. b6-4, b7c-4

Since we are preparing to transfer control of the investigations, we need to ensure the following takes place, which will help aid in a smooth transfer of cases:

1. Update all IPs w/outstanding and completed leads.
2. Update all 66s w/outstanding and completed RFAs.
3. Update all AAS. You AAS should provide the agent assuming the case with a snapshot of where you are in your case. (this should be in conjunction with your IP)
4. Prepare draft finals for all ROIs, and place in case file.
5. Prepare your AIRs for all files, to include SDFs. Make sure all AIRs are signed upon transfer of cases, and a copy is placed in the case file.
6. **Place note envelopes in every file.**
7. Make sure files are set up in proper order – all files should be set up similar, even if we are varying from CIDR 195-1. If we need to discuss further, we can. (see layout on front board prepared by SA [redacted] b6-1, b7c-1)
8. Also, if you have identified any POC (names, numbers, emails) pertaining to your case, ensure they are annotated in file (IP sheet has place in bottom left corner).

To case agent for file.

I talked with [redacted] yesterday. He is the only person there right now b6-6, b7c-6 filling in for two other bodies so he is quite busy.

He has received a total of 14 RFA's from you, sent to him via HQUSACIDC. We have USACIDC tracking numbers on all of them.

He has to first obtain the documents with which to search through and if they are hits (and it appears they are) then he has additional work.

So, please consider this information above as a 1st Info Report for the above 14 RFA's. He acknowledges receipt of the RFA's and will work as expeditiously as possible to complete the leads.

We have discussed a suspense for completion for three weeks from today (6 Oct 04). In three weeks, if I have not heard anything from SA [redacted] I b6-6, b7c-6 will contact same for a status.

I understand this may not answer the mail for the CAT I updates, but please reflect this information and if anyone has any questions, I will be the POC for their questions/answers.

Thanks.

 Subject: RE: CAT 1 RFAs

[REDACTED] b6-1, b7c-1

I talked with [REDACTED] yesterday. He is the only person there right now b6-6, b7c-6 filling in for two other bodies so he is quite busy.

He has received a total of 14 RFA's from you, sent to him via HQUSACIDC. We have USACIDC tracking numbers on all of them.

He has to first obtain the documents with which to search through and if they are hits (and it appears they are) then he has additional work.

So, please consider this information above as a 1st Info Report for the above 14 RFA's. He acknowledges receipt of the RFA's and will work as expeditiously as possible to complete the leads.

We have discussed a suspense for completion for three weeks from today (6 Oct 04). In three weeks, if I have not heard anything from SA [REDACTED] I will contact same for a status. b6-6, b7c-6

I understand this may not answer the mail for the CAT I updates, but please reflect this information and if anyone has any questions, I will be the POC for their questions/answers.

Thanks.
