1. Overview: Following the agreement of responsibility and authority contained in the draft Executive Order for CWC implementation, dated March 1994, the Joint Staff hosted a meeting on coordination of a draft generic agreement between the United States and foreign governments where the U.S. owns, occupies, or operates facilities. 2. The Joint Staff convened a meeting of DoD, State, and ACDA representatives on 19 June 1996 to continue coordination of a generic draft HCA for pre-arranged procedures in the event of a challenge inspection affecting U.S. military facilities overseas. (b)(5)
